## Frequently Asked Questions

The mission of Love INC is to mobilize local churches to transform lives and communities **In the Name of Christ.**

## What is Love INC?

**Love In the Name of Christ** is a proven model that networks local churches, church volunteers, and community organizations together to help people in need. Through Love INC, churches and individual Christians are mobilized to work together, across denominational lines, to provide coordinated help to struggling neighbors with basic needs such as food and clothing, to longer-term responses such as life skills training and transitional housing programs.

Founded in 1977, today there are more than 134 Love INC affiliates in 30 states, representing a network of more than 9,000 churches, 7,000 community-based organizations, and 300,000 volunteers meeting more than one million needs each year.

Love INC of Metro Tampa Inc., co-founded by Ann and Michael Doyle, opened in April 2017 with offices in The Portico in downtown Tampa.

## Need Love INC?

- Existing resources operating independently are inadequate to meet current and growing levels of need.
- It takes churches working together, across denominational lines, to meet multi-faceted needs and transform lives.

## How does Love INC work?

**The Clearinghouse** is the foundation of Love INC. Through the Clearinghouse, Love INC receives requests for help, screens the requests for extent of need and legitimacy, and refers the requests to a local church ministry, church volunteer, or community agency. Love INC follows up to ensure the need was met and to offer spiritual support. Through the Clearinghouse, Love INC also identifies gaps in services and resources in the community and helps churches develop ministries to “fill in the gaps” not being met by agencies or the government.

Many affiliates go even deeper in fulfilling the mission by adding a Love INC **Transformational** mode of ministry. In this mode, Love INC helps individuals and families in chronic need make lasting changes in their lives. Love INC trains and links church volunteers with people in need on a long-term basis to provide mentoring, goal setting, skills training, and spiritual and emotional support, along with the full array of services and resources available through the Love INC network.

Lastly, some affiliates go even further to engage community leaders and address the deeper issues that contribute to poverty and hopelessness through **Community Transformational Ministry** programs.
