

# To Begin Again: Worship in the Sanctuary

While we are excited to return to Sunday morning in-person indoor worship in the sanctuary, we recognize the need for continued vigilance and love to ensure as a community that we minimize the risk of both spreading and contracting COVID-19. As disciples of Jesus, we seek above all else to love the Lord our God and to love our neighbors as ourselves, so following guidance from global health experts, we have prepared to begin again together.

## What We've Done

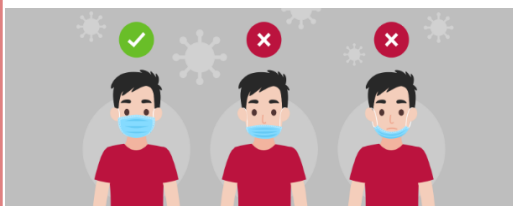

- Regular cleaning and disinfecting the church campus
- Upgraded air filters in the HVAC and increased airflow during worship
- Established hand sanitizer stations in the narthex
- Limited attendance to ensure proper social distancing
- Trained Ushers to ensure smooth flow of people entering and exiting the sanctuary
- Established safety protocols for Children in Worship and Nursery

## What You Can Do

- Self-Screening: If you do not feel well, please worship online at home
- Social Distancing: Immediate families will be seated together

- Wear Your Mask (everyone 4 years old +)

- Sanitize or wash your hands prior to entering

## What to Expect

- Register for worship through the church website
- Print and bring your bulletin from home or scan our QR code from your phone or tablet upon arrival
- Enter only through the Narthex
- No congregational singing at this time, however we will have spoken responses and the Lord's Prayer
- Communion and Baptisms will both be celebrated safely

*We will worship and praise the Lord together!*
