Mental health professionals are invited to learn
a new framework for helping their clients who are considering divorce.

Divorce Through the Legal Lens

Thursday, August 15, 4 - 5 pm at
Bruckner Hernandez Legal Solutions
619 W. Main Street, Ste D, St. Charles, IL

**Divorce occurs emotionally, financially, and legally -
not necessarily in that order.**

Collaborative Process Attorney & Mediator Theresa Beran Kulat will share one approach to integrating psychological models of development with the legal system. Using Maslow's Hierarchy of Needs as a backdrop, she will explain different divorce process models so that you can better understand your clients' interaction with their lawyers, judges, and "the law."
