Chris Franks of the Alan Devoe Bird Club will lead the bird walk. This property has a nice mix of habitat including: wetlands, fields and woods. Please dress appropriately (the grass will be wet) and have proper protection for ticks. Suggested to bring binoculars and a field guide, pets are not allowed on a bird walk.

Chris Franks has led many bird walks for the Alan Devoe Bird Club and currently is on their Board of Directors. He has been a member of this club since 2009 and is responsible for the field trip schedules and Facebook page.
