Write your name so that every letter tips a little bit more:

Last

18 empty boxes for writing the last name.

First

M.I.

Address

18 empty boxes for writing the address.

City

10 empty boxes for writing the city.

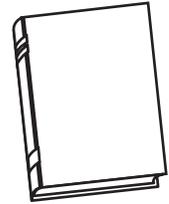

State

2 empty boxes for writing the state.

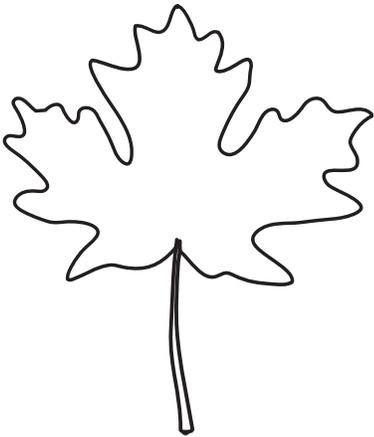

Zip

5 empty boxes for writing the zip code.

Design a tiny book cover.

Try to recreate the exact color of a fall leaf.

How many days until your Birthday?

How much would you save if a product was:

25% off of \$1.00 _____

25% off of \$10.00 _____

30% off of \$3.00 _____

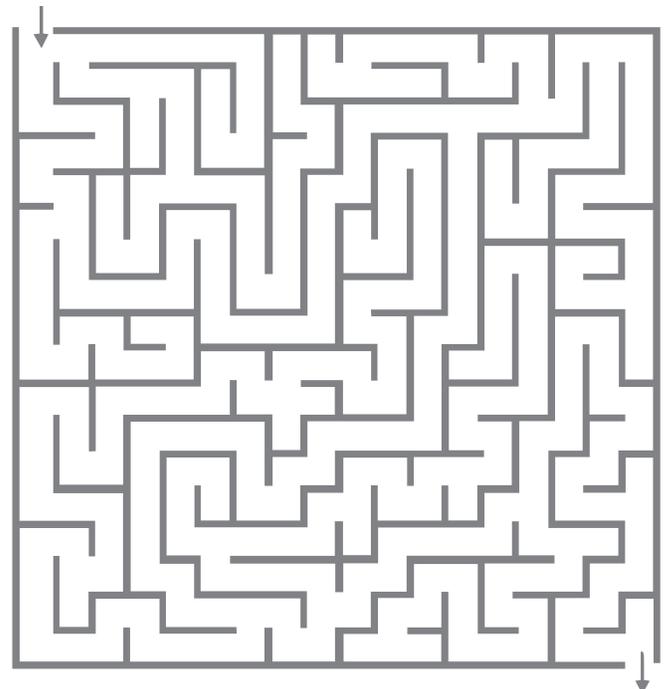

70% off of \$2.00 _____

Add scoops!

Proper nouns, which name particular people, places, or things **are always capitalized**. Circle each letter that should be capitalized.

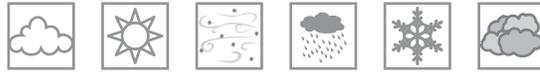

1. we live in madison, wisconsin.
2. austrlia is both a country and a continent.
3. i played bach's "minuet in G" on the piano.
4. you and i should go with henry to grandma's.
5. have you ever visited ireland?

Fourteen

Today is:

The weather right now:

<, >, or =

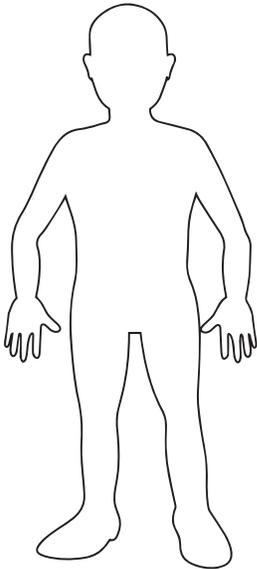

$\frac{33}{6}$ ○ $5\frac{1}{2}$

Circle the verb or verb phrases in these sentences.

1. Emily has too many books.
2. You are being very silly.
3. I was in the store on Tuesday.
4. Frances does lovely work.

Draw a grasslands landscape.

Today, I will wear:

Write your name trying to escape from this box.

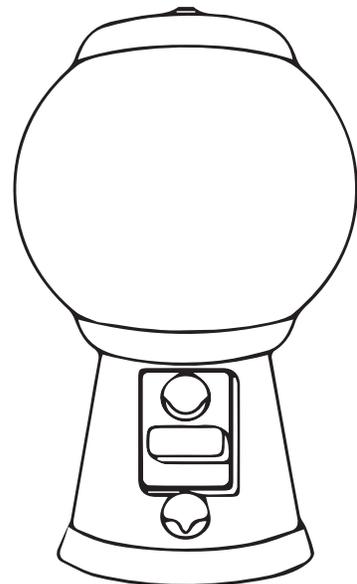

$$\begin{array}{r} 9347 \\ - 2114 \\ \hline \end{array}$$

Palindromes are words that are spelled the same backwards and forwards (such as racecar). Can you think of any others?

$$\begin{array}{r} 8000 \\ - 6543 \\ \hline \end{array}$$

When you add 9 to me, you get 56. What number am I?

$$\begin{array}{r} 5643 \\ + 4357 \\ \hline \end{array}$$

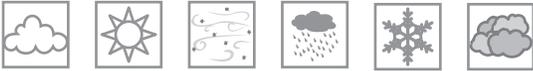

Design a flag for an imaginary country.

Fill up the gumball machine.

Draw a city scene with very short buildings.

Extend the yarn to form the letters of your name.

What do you see looking up out of this hole?

What can you put on each side to make this seesaw balance?

Today is:

Write numbers on the line to show the alphabetical order.

absolute _____

after _____

aardvark _____

again _____

accept _____

advertisement _____

alarm _____

Draw a line to show where you would cut this stick of butter to have 1/4 cup for your recipe (8 tablespoons = 1/2 cup).

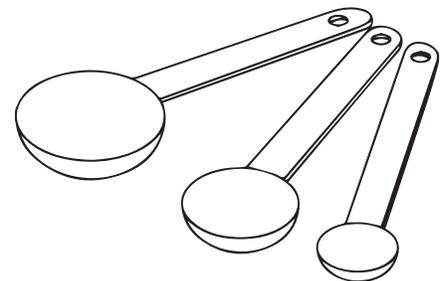

Show three different combinations of these measuring cups to get 1 1/3 cup of sugar for your cookies.

	1	2	3
			
			
			
total:	1 1/3	1 1/3	1 1/3

number of scoops of each cup.

The measurements on your spoons have worn off. Figure out which is the tablespoon, the teaspoon, and the 1/2 teaspoon and label them using the standard abbreviations (Tbsp. and tsp.).

Color Mixing!

$$\frac{3}{4} - \frac{4}{16} = _ _ _ = _ _ _$$

$$\frac{7}{12} + \frac{3}{4} = _ _ + _ _ = _ _ _$$

$$\frac{2}{5} - \frac{1}{10} = _ _ _ = _ _ _$$

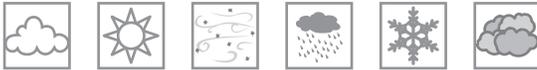

Underline the verbs or verb phrases. Tell whether they are action or state of being verbs. Circle the helping verbs (hint: the main verb is always the last verb in a verb phrase).

- | | action | state of being |
|--|--------------------------|--------------------------|
| 1. I should have been sleeping. | <input type="checkbox"/> | <input type="checkbox"/> |
| 2. Aunt Sarah will return on Saturday. | <input type="checkbox"/> | <input type="checkbox"/> |
| 3. I have been a friend for a long time. | <input type="checkbox"/> | <input type="checkbox"/> |
| 4. Go home! | <input type="checkbox"/> | <input type="checkbox"/> |
| 5. I will begin playing the drum. | <input type="checkbox"/> | <input type="checkbox"/> |
| 6. Beans is a funny lizard. | <input type="checkbox"/> | <input type="checkbox"/> |
| 7. Cherry pies are very yummy! | <input type="checkbox"/> | <input type="checkbox"/> |

Wow!
That's crazy
hair!

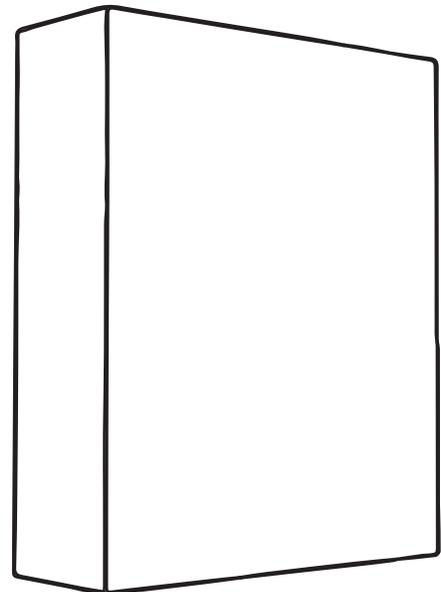

The weather right now:

Today is:

Design a great cereal box!

$$9 \overline{)1791}$$

This is an outline
of a state. You get
two guesses to
figure out which
one!
