Administrative

- **Approved Previous Meeting Minutes (APRIL)** - Meeting minutes were approved. January, March and April will be sent to MASITE to be posted on the website.
- MASITE Website
- Technical Committee send quarterly reminder in newsletter regarding online training links

Technical Training/Professional Development

- Ben has sent the updated survey to Pete O'Halloran to distribute but received less than 10 responses. He will ask Pete to post again and will also look into other social media to see if a better response rate can be achieved there.
- **MASITE Member Survey 2019: Technical Training Interest (*Ben*)**
 - 2018 Responses
 - 12 responses; 100% completion rate and it typically took 2 minutes to complete.
 - *Technical Committee Focus*
 - Webinars/Training opportunities with PDH's 83%
 - Quarterly updates on "new" technical information 75%
 - Live Workshops on technical engineering subjects 58%
 - Provide "hands-on" field traffic signal/ITS training 58%
 - *Top Four Topic Explorations:*
 - Traffic Engineering 58%
 - Simulation/HCM/Reliability Analysis 58%
 - Traffic Engineering/ITS Hardware 58%
 - Intelligent Transportation Systems (ITS) 42%

MASITE Annual Meeting – Can we reformat to online opportunity?

- **Update from MASITE Board (*Mike Davidson*)** - Mike Davidson report from MASITE Board regarding moving MCDITE sessions to online seminars. *Mike Davidson was not present at the meeting but he did email the following information via email:*
 - *As of now, the annual meeting is still assumed to be in-person. We are proceeding as normal primarily because the fee to cancel with the venue is very low. We are considering contingency plans as well.*
 - *For webinars during COVID, we do not plan to charge participants.*
 - *Mahmood is trying to get a Freeval training webinar scheduled.*

Joe will reach out to Mike to discuss.

- Ben Guthrie – status update with preliminary planning

Discussion Item: Traffic Data in the Time of Corona

- Update from Joe Fiocco regarding coordination with Mike Dzurko and strike off letter from PennDOT (dated 4/23/2020)
- Dave Petrucci update from meetings with ITE Big Data Initiative – ITE Coordinating Council.

***Until the COVID 19 Pandemic is resolved, there will be no in person training planned. This is also true for Student Outreach**

Work with coordinators when scheduling an event:

2019 Area Coordinators:

Eastern Coordinator: Rebecca Biro (JMT) rbiro@jmt.com (215) 496-4736

Central Coordinator: Chad Martin, (EA) martinc@erdmananthony.com (717) 766-1741

Western Coordinator: Lindsey Ulizio (WRA) LUlizio@wrallp.com (724) 779-7940

- **Ethics Training (*On Hold for 2020 – this topic has been covered*)**
 - Delaware requires 3 hours; however, the Primary State license requirement overrides the Delaware requirements
 - NJ requires 2 hours
 - TESC will also be holding an Ethics Training session at the 2019 meeting (December 10th).

- MASITE held an Ethics Training session at the 2019 annual meeting instead of holding a separate training 2-3 weeks after the annual meeting. About 20 people attended. The presentation was given by a professional at Wallace Montgomery.
- Reviewing several potential candidates; if anyone has suggestions reach out to Becky Biro

- **Traffic Cabinet Training - Try to host training event every other year *This topic is on hold for the spring during the COVID19 shutdown.***
 - **Looking to provide additional events in Pittsburgh and South NJ**
 - **New Jersey (*Joe Hold as reminder for 2020*)**
 - Last event Nov. 14, 2018, Burlington County, NJ
 - **Central PA Area (*Jennifer Hold as a reminder in 2020*)**
 - City of Lancaster (Cindy McCormick, McCormick Taylor, Signal Service)
 - Last event was on October 10, 2018
 - Very successful - 38 registrants
 - **Delaware (*Eric Hold as a reminder in 2021*)**
 - Signals 101: Last scheduled 3/20/2019; at signals shop in Dover DE
 - Full class
 - Interest in providing for DelDOT employees
 - **Eastern PA Signal Training (*Becky*)**
 - Signal Service, West Chester, 10/22/19 – solar flashers and midblock crossing systems. Two sessions, AM (10-12) and PM (1:30 – 3); 20 attendees registered at each session.
 - Joe will reach out to Mike Shea of Signal Control Products and Pete (Warminster Township) to discuss potential signal training.
 - 201: Advanced Signals March 12, 2019; at Signal Control Products, 199 Evans Way Branchburg, NJ
 - Tru-Traffic Training at PennDOT 3/19
 - Signals 101: Last event was June 7, 2017 in Warminster, PA
 - Schedule an event for Contractors to attend this Fall 2019
 - **Philadelphia Area (*Joe Hold until 2021*)**
 - January 8-10, 2019: PennDOT District 6-0 Walking Tour of Traffic Signal Technology; 60 Members attended
 - February 28, 2019: Signals 101 Training Event Scheduled in Philadelphia, hosted by General Highway Products

- **NJDOT HOP 101 Training, (*this topic would be good for online training but no update yet?*)**
 - New Highway Access permit regulations will be released in the next year... will coordinate with them to share information on their sponsored trainings.
 - Joe will follow up with NJDOT to find out the status of the new regulations

- **IMSA Signal Inspection Training/Traffic Control & Flagger Training (*ON HOLD*)**

- Consider hosting a discounted training for members
- PennDOT has an online work zone training & Traffic Signal Training available at:
<http://www.dot.state.pa.us/Portal%20Information/Traffic%20Signal%20Portal/Training.html>
- Only 6 members were interested so provided information for the IMSA training event in Late March, 2019 at Bordentown, NJ
- Continue to work with PennDOT and IMSA for a possible future PA event at PennDOT.

Automated Traffic Signal Performance Measures (Becky) Marie will reach out to Becky to see if there is any interest in doing an online training.

- ATSPM event with Mike Shea in the planning stages for Feb/March 2020. The event is planned to be more “hands on”.

Student Outreach

- **Coordination with Educational Outreach Committee**
 - The EO Committee really only volunteers at one event per year in the Philadelphia area (City Design challenge)
 - Joe - STEM high school program presentations to get kids involved;
 - Joe has a presentation for STEM presented to Philadelphia Schools; Joe provides the Powerpoint to the classroom and just arrives to do the follow up discussion
 - If you are interested, contact Christina Holiday, College Access Program Coordinator at choliday@philadedfund.org

- **Driver's Ed Educational Outreach (Dave/Joe)**
 - National Safety Council and ITE are working together to discuss this topic
 - LOCATE Chapter of MOVITE Section of ITE has won awards for their activities/program related to teen driver safety DRIVE SMART campaign
 - The DriveSmart-LOCATE is a safe-driving campaign for teens.
 - Potentially Pilot DriveSmart-LOCATE locally and nationally.
 - For more information visit the NSC website for Defensive Driving at: <https://www.nsc.org/safety-training/defensive-driving>
 - Dave will be presenting to Media High Schools; likes how it meets with the goals of Vision Zero. Students represent a disproportionate number of incidents and heading off when they are young would be great. The School District would like to schedule this in the spring. Springfield School District may be interested as well.
 - Commitment: Travel time; 30 minute video and follow up discussion. Information is below
 - Consider sharing this information through a MASITE email blast.
 - Central Bucks HS South will be hosting an event in Fall, 2019 (Amy)
 - Amy shared with Delaware TMA and TMA Bucks.
