# GROWTH STRATEGY, LAND USE, AND DEVELOPMENT

*\*Comments shown in red were received as part of the post-workshop survey activity.*

Workshop Theme	Vision Theme	Values	Public Comments	Workshop Up Votes	Workshop Down Votes	Total Up Votes	Total Down Votes
Mobility, Infrastructure & Services	Growth Strategy, Land Use, and Development	Balanced Development	Developers need to take a larger view of our town and focus less on their particular plan. They need to take our safety into consideration. If we keep the density less we will be will be safer and healthier. Keep the	1	1	1	1
Neighborhoods & Housing	Growth, Land Use, and Development	Balanced Development	Allow development without spoiling small town feel (avoid high density!)	3	1	3	1
Neighborhoods & Housing	<b>Growth Strategy, Land Use, and Development</b>	<b>Balanced Development</b>	<b>Built responsibility (not another Buttercreek embarrassment), nearby parks schools and restaurants, cul de sacs to limit traffic, consider work from home and families-flexible for change, better infrastructure and</b>				
Economy	Growth, Land Use, and Development	Balanced Economy	We shouldn't depend on developers for our economy so much. Landlords should be screened for their responsibility to their tenants.	1	0	1	0
Economy	Growth Strategy, Land Use, and Development	Business District	Would be nice to have a more spread out + healthy business district. Lots of this has to do with arterial routes and traffic.	1	0	1	0
Neighborhoods & Housing	Growth, Land Use, and Development	City Expansion	expanding the city by adding unincorporated areas would possibly improve our city. maybe North Park might have added to the city coffers	1	0	1	0
Economy	Growth Strategy, Land Use, and Development	Collaborative Work Spaces	Provide collaboration spaces for entrepreneurs and remote workers who would otherwise have to commute to Downtown LA	10	0	11	0
Economy	Growth Strategy, Land Use, and Development	Collaborative Work Spaces	Public market places for restaurant and shops like liberty station in San Diego. Brings community and social gatherings and business back to	7	0	8	0
Neighborhoods & Housing	Growth Strategy, Land Use, and Development	Housing for All	A variety of housing types in order to appeal to people of all ages and incomes that will include green spaces (parks, trails, etc.)	6	0	7	0
Neighborhoods & Housing	Growth Strategy, Land Use, and Development	Housing for All	diversity of housing options	7	0	8	0
Neighborhoods & Housing	Growth Strategy, Land Use, and Development	Housing for All	Housing for all segments of society...single professionals, young families, empty nesters, seniors	8	0	8	0
Neighborhoods & Housing	Growth Strategy, Land Use, and Development	Housing for All	housing opportunities for all ages and price ranges. live within walking distance to where you work and connected to where you play	5	0	5	0
Community Character	<b>Growth Strategy, Land Use, and Development</b>	<b>Housing for All</b>	<b>More affordable housing</b>				
Neighborhoods & Housing	Growth Strategy, Land Use, and Development	Housing for All/ Starter Housing	existing neighborhoods are good but we need a greater mix of housing choices and affordability to accommodate our young people.	5	0	5	0
Health & Safety	Growth Strategy, Land Use, and Development	Housing Types	Development of high density zoning for specific residential development, ie: assisted living, which address ingress, egress.	1	0	3	0
Neighborhoods & Housing	Growth Strategy, Land Use, and Development	Housing Types	Little or no industrial housing	0	0	0	0
Neighborhoods & Housing	<b>Growth Strategy, Land Use, and Development</b>	<b>Housing Types</b>	<b>Commune style housing, set up for 1 and two people, in a high density setting, with shared amenities.</b>				
Neighborhoods & Housing	Growth, Land Use, and Development	Mixed Use Development	Being opened to more mix use developments	3	0	3	0
Neighborhoods & Housing	Growth Strategy, Land Use, and Development	Mixed Use/Housing for All	Affordable homes for families. Multi use homes. Business on the first floor and residential on the 2nd	4	0	6	0
Health & Safety	Growth Strategy, Land Use, and Development	Population	If we keep our population down, we will be able to evacuate from fires more rapidly.	1	5	1	6
Economy	Growth Strategy, Land Use, and Development	Revitalization	Convert empty retail into mixed use buildings; encourage industry for recreation ie: bowling alley, mini golf, etc.	5	0	5	0
Community Character	Growth Strategy, Land Use, and Development	Revitalization	Maybe start a Victory Garden on existing VACANT city owned property (s)	2	0	2	0
