

COME TELL US HOW YOU'D LIKE TO SEE MOORPARK EVOLVE!

YOU'RE INVITED TO THE SECOND GENERAL PLAN COMMUNITY WORKSHOP!

May 27, 2021 | 6:30–8:30 PM

The future of Moorpark depends on you! We need your ideas for how the City can achieve the vision for 2050 Made by Moorpark. At this interactive workshop, you will be able to discuss the types of development that could occur in the future, participate in a virtual land use mapping exercise, and ask questions of the project team.

Your feedback will inform the General Plan Advisory Committee (GPAC) and decision-makers as they make recommendations for potential changes to the General Plan Land Use Map.

Registration is required to attend the workshop - visit:

If you are unable to attend, the community meeting will be recorded and posted on our website, and you will have opportunities to comment on the map virtually as well following the workshop.
