

Inspection, Maintenance, and Documentation of Hyperbaric Chamber Acrylics

Drury Plaza Riverwalk Hotel, San Antonio, Texas

Course Description

This 4-hour program addresses the care of acrylic windows on clinical hyperbaric chambers. The curriculum includes inspection and documentation of acrylics including types of acrylic damage and what constitutes excessive damage. There is a competency exam and a skills laboratory on inspection and polishing of acrylic.

Objective

Upon completion of this activity participants should be able to apply techniques for protection, inspection, minor repairs, and appropriate documentation of chamber acrylics.

Who Should Attend

This course is appropriate for anyone who operates and/or maintains a hyperbaric chamber.

Tuition

\$125 per person
