

Doctrinal Statement

As an introduction to the Articles of Faith, we believe after many years our congregation has established a firm foundation on fertile ground in which we can take root, learn and begin to grow. This foundation is based on what we have come to identify as the Four W's of our faith.

They are:

The Word: We believe that the Word of God is the center of our every effort and activity. It encourages our living, produces our growth, and aids in our every effort as one body in Christ. We, the Second Baptist Church are committed to the Word of God.

Psalms 119:11, John 1:1, Matthew 4:4, John 17:17, Psalms 119:105

Worship: We believe that the Word of God encourages the people of God to worship the Lord in Spirit and in truth, and we do so without any reservation or shame. We humble ourselves, lifting up His name in worship. We, as one body in Christ, are committed to the Worship of God.

Psalms 95:6-8, John 4:23-24, Matthew 4:10

Work: We believe that the Word of God begins to change the people of God through the Holy Spirit; hence our motivation increases work for the cause of Jesus Christ, our Lord and Savior. We work to serve all who are in need of the restoring love of Jesus Christ. We, the Second Baptist Church, are committed to the work of Jesus Christ.

John 9:4, 1 Corinthians 15:58, Philippians 1:6

Witness: We believe that every regenerated believer who has been touched by the hand of God, ought to be a willing witness to what the Lord has done in his/her life. We are convinced that by sharing faith experience, testimonies, and the Word of God, those who are lost can be saved, and those who saved can be strengthened. We, the Second Baptist Church, are committed to begin his witnesses.
