Summer Camp

- Session 1: June 1-10 (Week 1 attends Tuesday-Friday this session)
- Session 2: June 14-24
- Session 3: June 28-July 8
- Session 4 July 26-Aug 6

Price \$400 (requires \$200 deposit to reserve spot) please visit our website and [Facebook Page](#) for additional information.

Materials required for therapy (ZOOM sessions)

- Pencils (see below for adapted pencils)
- Crayons
- Cardstock
- Printer/ plenty of paper
- Glue
- Markers
- Scissors
- Several heavyweight sheet protectors

Pencil adaptation: Almost all students will be asked to try this during assessment. If your student is on the TIP grip protocol, you will need to purchase this from Amazon. Amazon has a delay in shipping due to COVID-19 so expect a 5-day shipping period.

The grips can be purchased from the following links: * Student will need both items below to make a TIP grip

- [6 regular pencil grips](#)
- [Foam pencil grip](#)

Here is a [free video, plus downloadable fine motor worksheets](#) to explain and practice the TIP grip

Preschoolers/Kindergarteners/Children with Developmental Delays

If we are doing tongs labs with your child, we recommend that you purchase the following items:

- Cubes: I will send printable tongs labs weekly for sorting, counting, etc – to work on separation of the hand and a tripod grasp.
- ONE of the following:
 - [Colored Wood Cubes](#)
 - [Centimeter Cubes](#)
- Tongs/Sometimes called Tweezers in the catalogs (they actually need two)
 - You only need ONE or maybe TWO different ones. Currently they are difficult to find during COVID-19 as the shipping for some items is a month delayed through Amazon. You might already have some tongs at home – look in your kitchen! They need to be smaller than adult ones for the kitchen. Here are some links that might work:
 - [Easy Squeeze Tweezers](#)
 - [6 Plastic Tongs](#)
 - [Easy Grip Safety Tweezers](#)
 - [Little Hands Fine Motor Tools](#)
 - [Activity Center](#)
 - [Gator Grabber Tweezers](#)
