ELISHA'S ACADEMY

(Only required if attending Elisha's Academy)

GOALS OF LEADERSHIP CAMP

We understand that there are times in a young person's life when there is a great desire to serve the Lord in some capacity. Many times young people can be used by God in the camp setting. Elisha's Academy has been started so that every young person who has a desire to serve the Lord will be ready for that opportunity.

1. To show a young person the blessing of being a servant by serving others.
2. To help a young person exercise the talents that God has given them.
3. To educate a young person in the proper way of handling him/herself in certain situations that may come up during a camp week.

QUALIFICATIONS FOR ELISHA'S ACADEMY

1. You must be 13 to 18 years of age.
2. You must have the signature of your Senior Pastor in the pastoral recommendation box below.
3. Your written salvation testimony must be sent with your registration form along with a current photo.

NOTE: Your attendance of Elisha's Academy does not guarantee you a position as a helper. The successful completion of Elisha's Academy only qualifies you to request the opportunity to help in a camp week.

PASTORAL RECOMMENDATION

I hereby wholeheartedly recommend

(camper's name)

To attend Elisha's Academy as a potential helper at Castle Rock Baptist Camp.
