

## NEW MEMBER WELCOME

Date of Report: \_\_\_\_\_

One of my roles as Membership Chair for the Oregon State Federation of Garden Clubs is to welcome New Club Members into our organization. I do this by sending a "Letter of Welcome" to them via email or by regular mail. Email is quicker, but some members may not have email. You can assist in this welcoming process by having your Club send me the necessary contact information for each of your new members when they join. If you have multiple members joining at the same time, or if you are "catching up," you may add more than one new member to this form. Thank you for your help.
