## Eligible boilers:

Eco Tec

Our newest, premium, high-efficiency residential gas boilers with a long-lasting firetube heat exchanger—combi or heat only.

SlimFit

High-efficiency condensing boilers designed for fast, easy installation in new and existing commercial and institutional settings.

SVF

Stainless vertical firetube boilers that streamline set-up and installation while meeting all standard new construction bid specs.

This offer is valid to contractors on purchases made from 2/8/2021 - 3/29/2021. Weil-McLain may, at its sole discretion, terminate this program in whole or in part at any time. Standard Weil-McLain Terms and Conditions of Sales apply. All form submissions must be entered by 4/9/2021.
