

Leslie Haley

ATTORNEY GENERAL

Dear Delegate,

Thank you for stepping up to serve as a delegate in this year's Republican disassembled convention. By participating as a delegate, you're helping to shape the direction of our party and bringing the grassroots energy that we need to win in 2021.

My name is Leslie Haley and I'm running for Attorney General of our great Commonwealth. In case you don't know me, I currently serve on the Board of Supervisors in Chesterfield County and I own my own law firm in Richmond.

I entered this race because I could not sit on the sidelines and continue to watch Democrat Attorney General Mark Herring serve as the lawyer for the progressive, far-left Democrat Party instead of being the lawyer for the people. As your next Attorney General, I commit to you I will always put your interests first, and together we will restore integrity and conservatism to the office after years of scandals and Democrat Party embarrassments to our Commonwealth.

I'm proud of my record of providing steady conservative leadership, and I would like to share a few details with you on why I'm the best candidate to win in November:

- **I am the only conservative Republican with significant executive experience in the Attorney General's race.** As Chair of the Chesterfield Board of Supervisors, I was responsible for running one of the largest jurisdictions in our Commonwealth. I was responsible for funding multiple departments like schools and our police, and applying conservative solutions that have improved the lives of hundreds of thousands of Virginians.
- **I opened Chesterfield school buildings in the fall of 2020, as Chair of the Board,** with full support of my colleagues. **I fought the Teacher's Association - *and won*** - returning kids to school last October. I'm the only candidate in the AG's race who has actively put our students back in school where they belong.
- **I fully funded the Chesterfield Police Department as Chair of the Board,** with full support of my colleagues and citizens, and the *police department is now fully staffed for the first time in 25 years.* I will always stand with our men and women in blue and am proud to enjoy the endorsement of Chesterfield Sheriff Karl Leonard.

Leslie Haley

ATTORNEY GENERAL

- **I'm a proud concealed carry permit holder** - I understand the importance of our second amendment and *I will NEVER support unconstitutional red-flag laws* that seek to take law-abiding citizen's guns.
- **I know how to win tough, suburban districts** where Republicans have struggled - in my suburban district in Chesterfield I'm the last **conservative** Republican standing and I continue to win with comfortable margins.
- **As a strong conservative woman who supported President Trump**, I bring needed diversity to the ticket to take on the identity politics supporting white male Democrats like Mark Herring and Terry McAuliffe in November. **I will also fight for election integrity** and commit to investigating and prosecuting bad actors in the Department of Elections.

These are only a few of the reasons I hope you'll support me on May 8th at convention. If you're already committed to another candidate, I understand! I hope you'll rank me your second choice on your ranked choice ballot. Now, more than ever, we need to win back the Attorney General's office, stop the insanity of Herring and McAuliffe in Richmond, and stand up for Virginia against the Biden-Harris administration in Washington.

You can find out more information about my campaign and my background at our website at www.HaleyForAG.com. You can also follow along with our campaign on social media on Facebook and Twitter at @HaleyForAG & @HaleyForVA respectively.

I hope to meet you soon at one of the many events in the lead up to the May 8th convention. Thank you for serving as a delegate, and I hope to earn your support!

Sincerely,

Leslie Haley
Conservative Republican Candidate for Attorney General
