

# **B2N** - A Summer of Blessings! **A Blessing To The Nations**

*Impacting the world for Jesus!*

## Greetings in the name of our Lord Jesus Christ.

We continue to thank God for you lifting all of our gracious supporters up to the Lord. We Are very excited about what the Lord has done and continues to do through this ministry. All of us at A Blessing To The Nations are blessed to have been able to do the work that God has called us to do. We recognize that none of this would have been possible without you sending us. We pray that as you participated in sending us, you will also participate in receiving even more abundantly-- "Now unto him that is able to do exceeding abundantly above all that we ask or think...Ephesians 3:20 KJV

Edgar was a former gang member in GUATEMALA that was saved through our B2N ministry! B2N provided a speaker system and now he preaches the "Good News" of Jesus Christ.

We had a wonderful trip to GUATEMALA in the spring. Pastor Charlene taught a woman's retreat in Guatemala. The woman, young and old were touched by the teaching Wisdom of Charlene. Pastor Miguel continues to feed children who live around the garbage dumps of Guatemala.

Not a single Christian church still remains open in this remote village in Guatemala. Street preaching outside of a satanic temple, the only place of worship in town!

Our church plants in Guatemala are experiencing great growth as the leadership in those new church plants are excited about what God has done. In Guatemala, we have so many young men who we have trained up to be evangelists. This ministry is praying for the finances to enable many young men to begin ministry opportunities. Many of these men have been trained as evangelists under B2N. Unfortunately, we have no place for them in the ministry at the current level of our finances. We serve a big God and we are dreaming big for the expansion of our ministry.

**Panama:**  
 In PANAMA we are still growing our AWANA program and continuing STREET EVANGELISM. Our AWANA program still meets every Saturday and Sunday with as many as 200 to 300 children in six different locations. The team is solid and they regularly have salvations in their meetings. I am always amazed to see older people come and listen to the Bible stories and many of them also prayed to receive Jesus.

**ZAMBIA**  
 Evangelist George and young man Stanley that he is mentoring. Packing much needed clothes to deliver to the Mansa region of Zambia.  
 Our street ministry in Zambia is removing many young girls off the streets that would eventually be exposed to a life of prostitution and AIDS. Many girls were abandoned at a very young age and are destined for a futile life. This ministry has reached out to girls who want to be mentored and continue to share the gospel on the streets to these young girls.

In Africa, a pray meeting praying for the health and welfare of all of our B2N donors

**Win them, Strengthen them, Equip them and SEND THEM!**

Our prison ministry in Ghana, run by Pastor Frederick, is reaching the lost and averaging 7 to 12 new professions of faith every week. Pastor Frederick has seen many of his converts released from their short-term prison sentence and are now faithfully out on the streets preaching the gospel. Many of these young dynamic men have expressed desire to be mentored under B2N leadership so they can now also begin to reach the lost.

The staff and board of directors here at B2N are so grateful for the entire team who have continually supported us with their prayers, finances and encouragement. Every where B2N goes to share the "Good News of Jesus" those who listen are amazed at the stories that God has allowed us to experience. We are excited with the incredible possibilities in what God has for this ministry. We are believing that our God will continue to bless you this SUMMER!  
 Thanks,  
 Gary Vanover
