

December 3, 2020

Dear MCCC Community,

As you are no doubt aware, Medina County has reached purple Level 4 in the Ohio Health Public Advisory System. It has been our intent to provide in-person learning experiences for our students as long as it was safely possible to do so.

While we have not received a required closure from the Governor, or the Medina County Health Director, we believe, given the current information, it is best for us to return to a fully remote learning environment at this time. The remote learning plan can be found at [www.mcjvs.edu](http://www.mcjvs.edu) and clicking on the COVID-19 tab.

We will follow this plan from Monday, December 7, 2020, to and including January 8, 2021. Should that date be extended, I will communicate that to you as soon as possible.

Adult Education staff and students will continue to meet in person at this time.

We will get through this together. Please be flexible and forgiving. Thank you for your patience and cooperation.

Sincerely,

Steven Chrisman,  
Superintendent
