

Thank you for choosing **BASC Imaging**.
It is our goal to provide excellent service at an affordable price.

Here is what to expect after you scan:

Your provider will receive the Radiology Report within 24-48 hours by FAX. You can access your imaging information by calling your Provider who ordered the scan or by signing up for our secure patient portal. Please email **Imagingportal@bascimaging.com** to get started.

You will receive an email with instructions on how to set up your AMBRA portal account. You can view, share or download your images from there. Additionally, a mobile app is available to download to your smartphone for immediate access to your images.

Please note: information on the patient portal will be available 7-10 days after your scan.

You will be given a patient survey with a self-addressed envelope. We welcome and appreciate your feedback, as it allows our team at **BASC Imaging** the opportunity to create the best experience for all patients.

Visit our Facebook page (**facebook.com/BASCimaging**) to “Like” and leave a review about your visit with us.

We know you have a **CHOICE**.
Thank you again for choosing **BASC Imaging!**
