You didn't take a *personal day* to deal with your prescriptions.

Your time is valuable. We think you deserve more of it. Walgreens Mail Service sends up to a 90-day supply of your long-term medicine, so you can spend less time waiting in lines, and more time doing what you want.

#### About Prime Therapeutics

We are trusted by your health plan to help you get the medicine you need to feel better and live well. Our pharmacy experts are working hard to make your medicine more affordable, and your experience easier.

# PrimeMail

by *Walgreens* Mail Service

PrimeMail filled by Walgreens Mail Service is your home delivery pharmacy service. We're trusted by your health plan to help you get the medicine you need.

## *Start saving*

- PrimeMail by Walgreens Mail Service can make a difference in your budget with savings — **up to 33%**<sup>1</sup>
- Save time by getting up to a 90-day supply at a time — which can also mean fewer copays
- Standard shipping is always free

## *It's easy*

- Ordering online or from your mobile is quick and easy, and medicine is always delivered in a plain package to help ensure privacy
- Walgreens Mail Service delivers anywhere in the United States, so you can get your medicine even if you're away from home
- We speak clearly — no jargon, just what you need to know, plain and simple

## *We're here to help*

- Speak with our pharmacy team 24/7
- Our pharmacists check each prescription multiple times before we send it to you
- We can send you refill alerts and reminders the way that you want

You have *more* things to worry about than your medicine.

### **Fortunately for you, we don't.**

All Walgreens Mail Service orders are processed by licensed pharmacists, and all medicines are in tamper-evident containers, shipped in plain packaging. Home delivery can save you time and possibly money.
