With Go365 Kids

Get Healthier — and Earn Points — together with Go365™ Kids

Now, the family that gets moving and healthier together gets rewarded together. Go365 Kids by Humana gets the whole family into the action! Your kids can play a part in your family's well-being by earning Points when they do "kid" things — like playing on a soccer team — or when you do other activities that are good for their health — like get their shots, screenings or health assessments.

Your kids can earn Go365 Points, good toward your family's total

When your kids (dependents under 18) are part of your Go365 program, you'll earn Go365 Points that contribute to your family's overall Go365 Point total and Go365 Status.
