

About Bethesda House

Bethesda House was established in 2016 and is located on the South Shore of Massachusetts. Our home can provide eight mothers a safe place to stay, where each one shares a single room with her child. We work with each mother to develop an individualized education plan so when she leaves, she has the necessary skills and knowledge to be self-sufficient.

We help work out all the details in order to make independence possible, from accessing benefits and financial aid, to transportation and child care. We also teach parenting and life skills to help each mother be the best mom she can be.

Because Bethesda House is 100% volunteer run, we can maximize the impact of your tax-deductible support. We are funded solely by churches and individuals in the community as well as by our annual fundraising events.

PARTNER WITH US

Bethesda House is looking for local partners to help us improve the lives of young women and their babies. Your tax-deductible sponsorship to one or both of our two largest fundraising events will make it possible to run Bethesda House for the year.

Please help Bethesda House continue to serve young pregnant and new mothers as they become independent and contributing members of the community.
