Shipping the SKS Bolt - The most inexpensive way to ship is through the US Post Office. We use poly bubble mailers, but they have a Ready Post Small Box that cost about the same to ship (\$2.50 to \$3.00). Make sure to wrap the bolt well so there is little or no movement during shipping.

Shipping the SKS Bolt & Trigger Group - The most inexpensive way to ship is through the US Post Office. Use the Small Flat Rate Priority Box. Make sure to wrap the bolt and trigger group well so there is little or no movement during shipping.
