Dear Friends of 4C,

For nearly four decades Community Coordinated Care for Children, Inc. (4C) has been your Child Care Resource & Referral partner in Central Florida. In 2007 we were presented the opportunity to expand services and act in the same role in Southwest Florida.

There have been many highlights since our inception in 1969, but we are most proud of the children and families we have been able to touch. 4C has remained a proponent of quality early learning services. Accredited by the Council on Accreditation (COA) since 1999, we stand committed to financial, administration and management integrity in everything we do.

Through the Head Start, Voluntary Pre-Kindergarten and Early Learning programs, thousands of children are prepared to enter school ready to learn. Knowing that children prosper in quality environments, our education professionals support the child care infrastructure with trainings and workshops. In addition, the Child Care Food Program ensures children thrive during the day by serving millions of nutritional meals a year in child care facilities.

As you review the annual report, know that we are grateful for all of the continued support we have received in “Caring for Our Future Today.”

Sincerely,

Colleen Gallagher
