**HS/EHS/CCP/EXP Budget & Financial Statements:**
Emilio Miranda, Finance Analyst, presented the summary of the Financial Statements for HS, EHS, CCP, and EXP for the month of October, as well as the credit card statements. Mr. Miranda reviewed all credit card statements for the month of October. The credit card statements included Centennial Bank, Citgo, Home Depot, and Walmart expenses. **Motion to approve the Financial Statements and Credit Card Statements as presented, was made by Wesley Turner. Seconded by Monique Dorman. Motion approved.**

**Non-Federal Share Waiver Expansion:**
Gay Delaughter, Program Director, explained why a waiver will be needed for the expansion. She stated that 20% of the budget for a program must be raised in in-kind. When sufficient funds haven’t been raised, a request for a waiver is submitted. The expansion classrooms are in the process of opening, therefore in-kind has not been collected as of yet. However, the expansion classrooms should start generating in-kind very soon. **Motion to approve the Nonfederal Share Waiver was made by Wesley Turner. Seconded by Monique Dorman.**

**Budget Revisions:**
Emilio Miranda, Finance Analyst, explained that due to construction being behind schedule for the expansion, the money allotted for rent has been negatively affected. The finance department would like to move money from one line to another to account for these unexpected costs. **Motion to approve the Budget Revisions was made by Wesley Turner. Seconded by Destiny Landry.**

**HR Approvals - January:**
Vilmarie Gonzalez, HR Generalist, presented the approval of hiring and separation of HS/EHS personnel and EXP personnel during the month of December 2019. There were no questions regarding the HR reports. **Motion to approve the HR Report for the month of December was made by Monique Dorman. Seconded by Christian Ramsay. Motion approved.**

**2020/2021 Weight Scale Approval:**
Tatiana Gonzalez, ERSEA Coordinator, presented the revised 20/21 eligibility weight scale versus the current 19/20 eligibility weight scale for comparison. She reviewed the changes that have been made to the weight scale, which are the following: Under Section A. Categorically Eligible, the Homeless and Foster Care options were increased by 100 points per Children’s Home Society’s recommendation. They are now worth 500 points each to ensure that applicants having to deal with these situations are receiving the highest available points. Under Section D. Disability, those diagnosed with an IEP/IFSP, or those who have a disability diagnosis from a licensed professional, or those who have a suspected disability will now receive a 50 point increase in previous points. These additional points are being allotted with the intent of increasing the number of children with disabilities to ensure the 10% disability mandate is attained. Under Section E. Risk Factors, “Domestic Violence/Spouse Violence (documented)” was changed to
“Domestic Violence or Victim of Human Trafficking (documented)”. This is due to the vast increase in the number of individuals who have been victims of human trafficking. Under the same section, “Mental Illness (documented)” was changed to “Mental Illness or Disabled (documented)”. This is to help parents who are disabled (blind, deaf, etc...), but whose disability wouldn’t be appropriately classified under the mental illness category. Under the same section, “Refugee/Political Asylum/Immigrant (documented)” was changed to “Refugee/Political Asylum/non-US Citizen (documented)”. This change was made to avoid confusion around the definition of the term “immigrant”. There were questions as to whether an immigrant would classify as someone who recently migrated to the states or someone who has been in the United States for some time. **Motion to approve the Weight Scale for 20/21 was made by Wesley Turner. Seconded by Christian Ramsay. Motion approved.**

**Director’s Report- December:**
Gay DeLaughter, Program Director, presented the Director’s report for the month of December. Enrollment in all programs is good. Attendance numbers are low except for in the CCP program. She stressed the importance of attending parent meetings and urged parents to ensure that their children are attending their classes regularly. **Motion to approve the Director’s Report for December was made by Wesley Turner. Seconded by Monique Dorman. Motion approved.**

**Community Partner Council Representative**
Gay Delaughter, Program Director, asked the Policy Council to vote AnnMarie Alvarado, Certified Infant Toddler Developmental Specialist at Children’s Home Society, back in as Community Partner Council Representative. Ms. Alvarado has submitted her application. She stated that Ms. Alvarado has been a devoted and valuable community partner for three years. **Motion to approve AnnMarie Alvarado as Community Partner Council Representative was made by Monique Dorman. Seconded by Wesley Turner. Motion approved.**
