

## Vendor Application

The Market 59 program is designed to attract small businesses and create retail shopping in downtown Pontiac. This program offers an opportunity to sell and showcase products of interest to area residents and visitors. Vendors located in the shops will be exposed to traffic from the Downtown Farmers Market, festivals, retail events, Finally Fridays, and all other events held Downtown and on Block 59. Each shop is available for weekly rental and vendors will be able to choose preferential dates on a first come, first served basis as applications are received and accepted.

We expect all vendors to participate in Downtown's retail events and promotions.

Your application WILL NOT be considered unless it is complete. Applications will be reviewed to ensure a variety of products that also meet acceptable community standards. The following are examples of, although not an exhaustive list of, products not allowed to be sold:

- Multi Level Marketing Products
- Illegal, prescription, recreational drugs, and unsafe supplements
- Tobacco Products
- Alcohol
- Ammunition, explosives, or weapons
- Animals
- Adult Entertainment Products, Pornography, or products depicting overtly sexualized positioning or acts of violence
- Digital media or electronic devices
- Real, virtual, or fake currency
- Counterfeit branded goods or items that are an infringement of a third party company
- Items that are discriminatory or generally offensive in nature

Each application will be reviewed by the Community Development Team to ensure they meet standards. Applicants will be notified as soon as possible if their application has been accepted. If accepted, a final lease will be provided, and location and date assignments will be given by staff. Please note full payment with the signed lease agreement is required when lease is signed. You may begin setting up your shop Tuesday morning at 8:00 am the week of your rental and must vacate by Sunday at 9:00 pm unless renting for consecutive weeks.

No refunds for vendor cancellations will be given. Vendors may not sub-let their location to another vendor. Vendors who do so will forfeit their lease and will not receive a refund. Only vendors listed and approved on the original application will be allowed.
