Reserve Rooms Online at http://group.hilton.com/pacificnorthwestsourcecontroltrainingassociation
Or call (360) 993-4500, reference PNSCTA for room rate.

EXCLUSIVELY INDUSTRIAL PRETREATMENT

This premier event for pretreatment program managers and staff in Alaska, Oregon, Washington and Idaho focuses on the practical aspects of improving pretreatment program effectiveness.

Join us for three days of technical training, updates from EPA and the States, case studies, program development and implementation sessions, and intensive networking.

WORKSHOP CONTACT

Sponsored by: Pacific Northwest Source Control Association
This is the Event for You

Our attendees are water quality professionals interested in keeping up with best practices and the newest innovations in the field of pretreatment.

This Workshop is Content

Approximately 2.1 continuing education units shall be granted to participants.

This Workshop is Community

You’ll learn from the presenters and even more in one-on-one conversation with the speakers and your colleagues. This annual workshop brings you together with the others who are working to solve the same kinds of problems you are.

Networking Reception

The PNPW Committee will be hosting two networking receptions in the heart of downtown Vancouver. Reception is open to all workshop attendees.

More To Do . . .

Nestled between the Pacific Ocean and the Cascade Mountains, on the north bank of the Columbia River, Vancouver USA is as naturally beautiful as it is diverse. Explore our things to do and you will find no other city in the Pacific Northwest offers such a combination of colorful history, recreational activities and charming hospitality. Take to the streets of Vancouver USA to find a rotating community of quality food trucks to choose from. The curves of the Columbia River hold a wealth of cultural and recreational experiences for visitors to explore. From shopping and dining to water sports and parks, Vancouver's waterfront community continues to grow.
