

LIVE 2 DO MATH

Primary, Junior & Intermediate

Live2Teach is excited to offer our new program, *Live 2 Do Math!* This program is divided by Primary, Junior and Intermediate divisions, and is run once per week for seven weeks!

Each group will develop and strengthen essential skills within their division, while working together in a comfortable, small group environment.

Students will enhance skills required in the Ontario Curriculum such as...

PRIMARY DIVISION

(Gr. 1-3)

- ✓ Begin selecting proper tools
- ✓ Representing numbers in different methods
- ✓ Proving choices mathematically

Example: Addition & Subtraction of single and double digit numbers

JUNIOR DIVISION

(Gr. 4-6)

- ✓ Reflecting and selecting proper tools
- ✓ Develop new strategies
- ✓ Connect previous concepts

Example: Multiplication & Division of single, and double digit numbers

INTERMEDIATE DIVISION

(Gr. 7-8)

- ✓ Problem solving and reasoning
- ✓ Effectively communicate
- ✓ Apply knowledge to solve complex equations

Example: Isolating Variable Equations
