I have read and understand the payment policy of Fetzer Family Chiropractic. I understand that my insurance is an arrangement between myself and my insurance company, NOT between Fetzer Family Chiropractic and my insurance company. I request that Fetzer Family Chiropractic send my claims so that I may obtain insurance benefits. I also understand that if my insurance does not respond within 90 days, or if I suspend or terminate my schedule of care as prescribed by the doctor at Fetzer Family Chiropractic that all charges will be due and payable immediately.

FINANCIAL POLICY

Our recommendations are based on a desire to see you get well and stay well. Chiropractic care is covered under many insurance plans. Most of our patients that have health or accident insurance will fall under one of the plans discussed in this policy. Regardless of your coverage, we'll suggest the chiropractic care we think you need. We ask that you read and understand our policy as it applies to your particular situation.

Non Insured Patients

We request that 100% of each visit be paid in full. We are happy to accept your check, cash, Discover, Master Card, or Visa. We do offer a Time of Service discount of 10%.

Fetzer Family Chiropractic is a provider of *ChiroHealthUSA*, which is a medical discount plan that offers on average discount of 20% if you become a member at the annual charge of \$49 for your entire family. This is a popular option for families and patients receiving routine/maintenance care. We would be happy to assist you with any questions.

HEALTH INSURANCE

Your insurance is an agreement between you and your insurance company, not between your insurance company and our office. We cannot be certain if your insurance covers Chiropractic, although most policies do provide some amount of coverage. The amount they pay varies from one policy to another. When possible, we will call to verify benefits on your insurance; however, the benefits quoted to us by your insurance company are not a guarantee of payment. As a courtesy to you, our office will send in all claims to your insurance company. It is to be understood and agreed that any services rendered are charged to you directly and you are personally responsible for payment of any non-covered services, deductibles or co-pays.

“ON THE JOB” INJURY (Worker’s Compensation)

If you are injured on the job, your care would likely be paid for under your employer’s Worker’s Compensation insurance. You will need to inform your employer of the accident first and obtain the name, address of the carrier and claim number of your insurance claim. If you do not provide us with this information, if a settlement has not been made within 3 months, or if you suspend or terminate care, any fees and services are due immediately.

PERSONAL INJURY OR AUTOMOBILE ACCIDENTS

Please present your auto insurance information, and tell us if you have retained an attorney. There are options available to the PI patient:

1. Pay cash for your care and we will submit necessary information if requested.
2. We will bill (accept assignment) for the medical portion of your auto insurance.
3. We will accept a Letter of Protection or Doctor’s Lien from an attorney and await payment at the time of settlement as long as you remain an active patient.

Although you are ultimately responsible for your bill, we will wait for settlement of your claim for up to **(six)** months after your care is completed. Once the claim is settled or if you suspend or terminate care, any fees for services are due immediately.

MEDICARE

We do accept assignment from Medicare. The check is usually sent directly to our office in payment of the services that Medicare will cover which for Chiropractors is **ONLY** manual manipulation of the spine. Medicare pays 80% of the allowable fee once the deductible has been met. You are required to pay the deductible and the remaining 20%. All other services we provide are **NON-COVERED**. These services include, but are not limited to, x-rays, examinations, therapies, orthotics, supports, and/or nutritional supplements. Medicare patients are fully responsible for charges of non-covered services. Secondary insurance may or may not pay for these non-covered services. Our office completes and files the forms for Medicare at no charge.

SECONDARY INSURANCE

Please inform us of any secondary insurance you may have. We will assist you if you need help in filing.

We are providers for the following companies:

Blue Cross Blue Shield of ND, Medica, Sanford, United Healthcare, Medicare, UMR, Medicaid of ND

Please inform us if you have a medical/health savings account, sometimes known as a 'flex plan'. We will be happy to provide you with a statement of your charges for reimbursement.
