G D Em C
As the winter winds litter London with lonely hearts
G D Em C
Oh the warmth in your eyes swept me into your arms
G D Em C
Was it love or fear of the cold that led us through the night?
G D Em C
For every kiss your beauty trumped my doubt

C G
And my head told my heart
C G D
"Let love grow"
C G
But my heart told my head
C G D G
"This time no. . . this time no"

G D Em C
We'll be washed and buried one day my girl,
G D Em C
And the time we were given will be left for the world.
G D Em C
The flesh that lived and loved will be eaten by plague,
G D Em C
So let the memories be good for those who stay.

C G
And my head told my heart
C G D
"Let love grow"
C G
But my heart told my head
C G D
"This time no. . . this time no"
C G
Yes, my heart told my head
C G D G
"This time no. . . this time no"

G **D** **Em** **C**
 Oh the shame that sent me off from the God that I once loved
G **D** **C**
 Was the same that sent me into your arms
G **D** **Em** **C**
 Oh and pestilence is won when you are lost and I am gone
G **D** **C**
 And no hope, no hope will overcome

G **D** **Em** **C**
 And if your strife strikes at your sleep,
G **D** **Em** **C**
 Remember spring swaps snow for leaves.
G **D** **Em** **C**
 You'll be happy and wholesome again
G **D** **Em** **C**
 When the city clears and sun ascends.
