Welcome to February, Lake County! January was full of tailgating to college bowl games, playing bingo, building bird houses, and more. We dabbled a bit in the art world with our gnome crafting and clay days, and did our best to enjoy the snowy outdoors with skiing, snowshoeing, and winter fun days!

For the first time in 17 years, the Cleveland Browns made it to the playoffs, and everyone enjoyed the roller coaster that was playoff season! During those chilly January days, we started weekly workouts with Willoughby Branch and VGC to keep warm and fit, and continued to work with the Buster News Network cast to share the latest in Deepwood news. As always, the Rec Department misses everyone.

Did you know?

The month of February has two commonly accepted birth flowers, and neither is the classic red rose! The first-violets-signify truth, loyalty, and faithfulness. Giving a violet to someone is a sign that you'll always have their back, and is often given to friends and family members.

Second are primroses! These pretty flowers are used to show affection, and are often gifts between romantic couples to imply that the sender will always love the recipient.
