Happy Spring at last! February was one of the snowiest and coldest in recent years, and we did our best to take advantage of the extended ski season with snowshoeing, downhill ski, and cross country skiing. On those bitterly cold days we stayed warm with indoor movies, snow globe making, canvas painting of Valentine’s gnomes, and more.

Cupid Buster made rounds at Willoughby Branch, VGC, and in the community to spread Valentine’s day wishes and greeting cards. Many of our friends in Lake County have begun to receive their Covid-19 vaccinations, and we would like to thank everyone in the community making it possible for us all to live safer lives!

Did you know?

March 2021 sees both the start of Daylight Savings time and the Vernal Equinox, aka the first day of Spring. Daylight Savings falls on March 14th- don’t forget to set the clocks one hour ahead!

The Vernal “Spring” Equinox occurs March 20th; in the Northern Hemisphere (where Ohio is) we will begin to see longer, warmer days as the earth tilts towards the sun. Get ready to enjoy earlier sunrises and later sunsets!
