

ATTACHMENT C

Guidelines for [Individual Name](#) (title of Modified Restraint)

This Modified Restraint is to be utilized only for [individual name](#) and once has approved as a behavior support strategy. Use for any other individual will result in an incident report being written and filed as a Major Unusual Incident (MUI). An investigation will be conducted.

All other means of positive intervention must be utilized up to and including the CPI Team Control **prior to use of the (Modified Restraint). There are risks involved in any physical intervention. Therefore, physical interventions should only be considered when the danger presented by the acting-out individual outweighs the risks of physical intervention, and when all other options have been exhausted.

Staff must be trained by a certified CPI Instructor prior to being able to implement the modified restraint.

Insert Clear description of restraint, modifications and safety considerations
