What Is The Jesse Box? An Interactive learning tool that, together with the Bible, teaches the faith through the narrative of salvation history. Consists of many "stories" that walk students through God's saving plan.

Components:

Diorama (and wooden pieces) A folding box with three sections that stage the separate sessions of the stories. Includes 11 wooden cones (support for all characters) and 9 wood animals.

Story Manual Includes all that you will need to portray the story. Includes characters, props and scenery. Provides step-by-step lesson plans that contain prayer, Bible references, simple explanations & discussion questions.

Activity Book Is a reproducible. Activities reinforcing what student have learned in each session.
