

# Little Salmon Carmacks First Nation

Together today for our children tomorrow.

## **EMPLOYMENT & TRAINING OPPORTUNITIES** **(for LSCFN citizens on Mt. Nansen and other projects)**

The following PAID training positions have become available. No previous experience or qualifications necessary. If you are interested in any of this training, please contact **Doris Johnson** at **(867) 863-5576** or [doris.johnson@lscfn.ca](mailto:doris.johnson@lscfn.ca) and provide her with your resume or ask for assistance in preparing one – support is available!

### **WATER TREATMENT PLANT OPERATOR**

Date: **March 2 – 6, 2020**

Wage: **\$25/hour**

Available positions: **2**

Location: **Yukon College (Whitehorse)**

### **Description:**

LEVEL 1 AND LEVEL 2 WATER TREATMENT COURSE, to be followed by a 2 week on site job shadowing training position at Keno Hill Water Treatment Plant, operated by Alexco.

From there, the two trainees will transfer to the Mt. Nansen site to be employed full time as Water Treatment Plant operators for the “Care and Maintenance Phase” of the Project (wage to be confirmed).

While not required, Math 12 (or equivalent) would be considered an asset. Math upgrades are available – contact Yukon College or Doris Johnson for assistance in upgrading skills.
