

Town of Falmouth Human Services Department

FY2022 Request for Interest:

The Town of Falmouth, through the Human Services Department, seeks proposals from interested public or private, state and federally recognized non-profit organizations, agencies, or partnerships to provide projects, programs and services that support vulnerable citizens and address unmet human service needs for the Town. Subject to Town Meeting Appropriation, the Town of Falmouth will award 1 contract totaling \$9,500 in FY2022 (July 1, 2021- June 30, 2022).

Due to the far reaching human impact of the Covid-19 pandemic, the Town of Falmouth seeks and will prioritize proposals that will address critical human service needs that have emerged or have been exacerbated as a result of the pandemic. Agencies and organizations that are responding to the COVID related needs of the Falmouth community are encouraged to submit a proposal. The **primary** intent of this funding is to provide seed money to stimulate the development of new initiatives, projects, programs, or services that are not currently being offered in the community.

Secondarily, proposals will be considered for funding used to enhance or grow existing programs and services that are unable to meet the community's current need.

The Town of Falmouth utilizes a funding process that addresses areas of unmet human service needs in the community. This RFI is for the category of **General Support Services** and will result in a one year, non-renewable grant of \$9,500. Proposals must describe the specific human service need for which town funding is being sought and provide relevant and supporting data that documents the need.

The application and required forms are available on the Town of Falmouth website <http://www.falmouthma.gov/human-services> and at the Human Services Office. Applications are due on Friday, April 23rd, 2021 at 4:00pm in the Human Services Office: 65A Town Hall Square, Falmouth, MA 02540.
