

# Uncompensated Trauma Care (UCC) Application

Department of State Health Services  
EMS / Trauma Systems Section

TEXAS  
Health and Human  
Services

Texas Department of State  
Health Services

# UCC Summary

- UCC – funding a portion of the uncompensated trauma care provided
  - Facilities need to be designated or in IAP by the application deadline
  - Also needs to be designated/IAP when receiving funds
- 

# UCC Application Updates

- UCC application has 3 parts:
    - Part A – Application (now online version instead of Word or PDF)
    - Part B – Affidavits (has not changed from previous years)
    - Part C – Supporting Data Submission:
      - Additional info being requested specific to Injury Severity Breakdown of UCC claims
      - Added additional tab for general Injury Severity info from the facility
  - Info requested for app is for Calendar Year (CY) 2018
- 

# Part A – Application

- Collects general info from facility (i.e. Name, Lic #, etc.)
  - 1(a) – requests info on Trauma Activations
  - 1(b) – requests info on Race/Ethnicity of trauma pts.
  - 1(c) – requests info on the Trauma Program at the facility
    - Info on program support at the facility (personnel, budgets)
  - 1(d) – requests info on the submitted UCC claims
    - This portion should match what is submitted in Part C
- 

## Part B – Affidavits

---

- 5 signatures are needed for Part B
- 3 of these signatures need to be notarized
  - CEO
  - CFO
  - Chairperson of the Board
- Last 2 signatures are from TMD and TPM

# Part C – Supporting Data Submission

- Dollar amount and patient count should match what was submitted in Part A
  - Info requested is same as previous years
    - Follows the National Trauma Data Standards (NTDS) for Inclusion Criteria
  - New request: Injury Severity Breakdown
-
