

1. Are you a private for profit small retail business, a service business, a non essential business, or an essential business that has struggled due to a big slow down in business?
2. Do you employ 50 or fewer people including yourself?
3. Have you been in business since 2017?
4. Do you have at least 1 full time employee or full time employee equivalent (a full time position that multiple people cover part time) not including yourself?

Per federal grant specifications the information on your application will be discussed in a public forum.

The following businesses are specifically ineligible for assistance due to CDGB restrictions:
