

Building STEPS Snapshot

August 2019

THE MANY FACES OF OUR INTERNS SUMMER EXPERIENCE 2019

The 2019 Summer Experience is complete with our high school seniors boasting impressive internships! From small engineering firms to large regional institutions, our students could be found computer programming, feeding sharks, testing drones, creating engineering spreadsheets, analyzing data, conducting research, and teaching kids about the moon landing! We always welcome you to join in and make an impact too! Become a **host site** next summer!
