**Painting Your Vision**  
**Instructor: Jodie Niss**

Welcome to my class.

In this class you can pick from oil paint, watercolor or acrylic paint. You can get your paints at any local art store, but I suggest you do not buy student grade paints! All oil paints are not created equal. Price does affect quality so if you already have student brand paints I recommend you try some higher quality paints. Please come to the first class with an idea or reference and painting supplies. You can email me at [jniss@mannycantor.org](mailto:jniss@mannycantor.org) with any questions.
