BE IT RESOLVED THAT AzDHA:

Amend Policy 1-15 by substitution

- ~~The ASDHA advocates the development of and funding for the implementation of a statewide oral health plan to reduce the prevalence of oral disease in Arizona.~~ The Arizona Dental Hygienists' Association supports the goals of the Arizona 2019-2022 Oral Health Action Plan as follows:
1. Support policies that develop and support a robust oral health infrastructure.
 2. Healthcare workforce is sufficient to meet needs effectively and equitably and is integrated within overall health.
 3. Create a shared understanding of oral health literacy, prevention, and advocacy.
 4. Pursue adequate financing for oral health.

Justification:

The original policy statement is outdated. Conditions have changed that allows AzDHA to support a specific statewide oral health plan that meet the intent of the original policy.
