Unknown; have not received a roster from ADHA since February 2020 – at that time we had lost 50 members and were at 147 members
10. Has there been any significant changes from last year?
See #9 above
11. How does the component communicate with members and how often?
(1) Prior to the pandemic, email blasts were sent out at least 2-3 times/month; Since the pandemic, email blasts are only every other month.
(2) Our Facebook page has over 850 people as “friends,” many of whom are members. Postings are made at least 2-3 times/month.
12. How often does the leadership of the component meet with the members for business meetings?

Prior to the pandemic, we met monthly for study clubs where component business was discussed prior to the speaker. Board members meet quarterly to discuss component business.

13. How are funds raised to support your component? Briefly explain what fundraising activities occur and how often.

Raffles were held prior to the pandemic which were held at monthly study club meetings. Also, non-members are charged a fee to attend monthly study club meetings while members are free.

14. How many continuing education programs were provided by your component this past year?

Monthly social/study clubs have been held routinely until the pandemic. A Wine Retreat C.E. was held September 2019.

15. List any community service projects or activities your component sponsored:

In December, 1999, a Salvation Army Food Drive was held.

16. Does your component interact with students in any specific dental hygiene program? If so, briefly explain.

(1) Interaction with students from both PC and Rio Salado DH programs to participate in our Salvation Army Food Drive. The program that contributes the most food receives a pizza luncheon where two of our board members attend and discuss membership in CADHA.

(2) Two board members met with student participants in a National Board Review and discussed benefits of membership in their professional association.

17. What concerns, if any, are shared by your component leaders?

They would like to see more communication with the state association leadership

18. What concerns, if any, are expressed by your component members?

Obvious frustration now that we are unable to hold our monthly social/study club meetings, as well as our extremely popular Wine Retreat C.E., due to the pandemic; also they would like to see more meetings in other parts of the Valley rather than just in north and central Phoenix. A survey was recently conducted to determine if there was any interest in holding online c.e. via Zoom for our members and the results were positive.
