

Candidate for AZDHA Board of Directors

Lynn Radler, RDH

I am seeking election to the AZDHA Board of Directors to help support our Arizona State hygienists and be a representative from the Southern Component “SADHA”.

Dentistry is my passion. It was my career choice in college, and I have never looked back. I have been a member of ADHA since 1986 as a hygiene student in Blue Bell, Pennsylvania. I was not active in a Board position but as a member until moving to Arizona in 1993. I paid my dues diligently year after year to help support important causes that impacted hygienists. I

continue to try to stay on top of what is going on legislatively and to assist my peers anyway that I can.

I view myself as a “Blue Collar - Grass Roots” hygienist. I chose not to pursue a higher educational degree but have worked in clinical hygiene for over 32 years. My passion for the profession and where I shine is in the operatory. I have worked with many hygienists over the years that did not feel the need to be a member of ADHA, although they knew I was. That breaks my heart; but their attitudes have not sway me from continuing to support ADHA and educate those that are not members. I have enjoyed the friendships and comradery that I have experienced in my various ADHA capacities I have held as a Member. Below I humbly give my Educational, Clinical and Association experience and ask for your vote.
