What is Empowering HeArts?

Empowering HeArts is an annual celebration of women who have changed lives and shaped their communities. It bridges the worlds of social action and artistic expression in an annual arts competition.

Honorees are nominated by the community and selected by the Empowering HeArts Planning Committee.

The Empowering HeArts Gala presents the creative works of Santa Clarita Valley artists who create unique and inspiring art forms inspired by these real-life stories. Art is juried, and two prizes are awarded as follows:

- Dottie Award - awarded to the artist who creates the most compelling visual story.
- People's Choice Award - awarded by the gala attendees from votes taken at the event.

It is SMO's hope that through sharing these powerful stories in word and art, these extraordinary women will impact and inspire others to rise above their own circumstances.

Empowering HeArts is SMO's signature fundraising event. All proceeds from the event are used to support programs which empower single parents to effectively care for their families.

The Theme: Trailblazer

Artists are asked to create artwork of their honorees. Inventive interpretation of the theme as it applies to each honoree is strongly encouraged of the artists, as are imagination and personal artistic style.

In keeping with the supportive spirit of Single Mothers Outreach, and to the greatest degree possible within the artists' own disciplines, artists are asked to assure that the Honorees are identifiable to people who know them when viewing the finished art.

It is critical that the artist's work closely with their honorees in order for them to be comfortable with how they are portrayed. Each honoree will be given the art made by the artist they are matched with.

Benefits of Participation

- Appropriate mention of authorship in all uses by SMO
- Complimentary Admission for the Artist
