

2020 HONOREE NOMINATION APPLICATION

In 2020, Single Mothers Outreach will honor six women who set the standard and who serve as an example of this year's theme, *trailblazer*.

Please inform your nominee of their entry being submitted for consideration. Empowering HeArts honorees generate a lot of media attention, so you should be sure your nominee is comfortable with being in the limelight. The Empowering HeArts Planning Committee (EHPC) will screen all nominees before selecting the final six and will discuss expectations, commitments, etc. with each nominee.

All final nominations must be submitted no later than July 31st, 2019. Please understand that this nomination does not necessarily guarantee your nominee will be chosen.

*Please ensure to fill out each section fully.
