Item 4
Property Dispositions

A. Development – Competitive Sales

- 1921 S. 6th Street to Civetta Property Group, LLC (CD1)

Mr. Lawrence asked the Board to approve the disposition of 1921 S. 6th Street to Civetta Property Group, LLC for the development of a single-family rental unit for lease to a tenant a household income of 81-120% of the area median income (AMI). The applicant was the only qualified bidder for the competitive sale posting, at a bid price of $10,000. Evidence of project financing was provided. The applicant is compliant and in good standing with the City of Philadelphia. This project will require an Economic Opportunity Plan. The project will also be subject to an irrevocable power of attorney and right of re-entry reverter. The property will be subject to use restrictions and require income verifications.

Ms. Fadullon asked if anyone from the Board had questions or comments. Mr. Sauer asked what the rent would be for someone with income at 120% of AMI as opposed to typical market rate rent for the area. Mr. Rodriguez responded that market-rate rents for zip code area 19148 are: efficiency $800, 1-bedroom $940, 2-bedroom $1,140, 3-bedroom $1,420, and 4-bedroom $1,630 per month. The developer’s application indicates that rent for this 3-bedroom 1-bath unit will be $1,370. Ms. Fadullon pointed out that this property was offered for competitive sale with no requirement that a bid be for affordable housing, and the developer chose to do a project affordable to renters with a household income of 81-120% of AMI. In response to other Board questions, Mr. Rodriguez stated that the applicant was the sole bidder, and the property was posted for bid on the website for 30 days, as required by the legislation governing competitive sales.
Ms. Fadullon called for questions or comments from the public. Ms. Fadullon recognized Zakiyyah (no last name provided), who asked how the public is informed about lots for sale by the Land Bank. Mr. Rodriguez explained how properties posted for competitive sale are advertised via email, notification of various organizations and the mailing list, and posting on the PHDC website. He provided the link to stay informed on the activities of the Land Bank and land sales in the chat (https://phdcphila.org/stay-informed/). In addition, applicants can submit application for land for any property listed as available on the PHDC website (https://phdcphila.org/land/buy-land/).

Mr. Koonce asked about the terms of affordability. Mr. Rodriguez responded that rental properties are required to remain affordable for 15 years, and that those requirements are included in a Declaration of Restrictive Covenants that is recorded against the property immediately after the deed is recorded.

Seeing no additional questions or comments from the public, Ms. Fadullon called for a motion to approve the disposition of 1921 South 6th Street to Civetta Property Group, LLC.

Mr. Koonce moved to approve the disposition of 1921 South 6th Street to Civetta Property Group, LLC. Mr. DeMarco seconded the motion.

Upon motion made and duly seconded, the Board unanimously adopted the Resolution Authorizing Conveyance of 1921 South 6th Street to Civetta Property Group, LLC (attached to these minutes as **Exhibit A**).

- **2544 S. 5th Street to Civetta Property Group, LLC (CD1)**

Mr. Lawrence asked the Board to approve the disposition of 2544 S. 5th Street to Civetta Property Group, LLC for the development of a single-family rental unit for lease to a tenant with household income of 81-120% of AMI. The applicant was the only qualified bidder for the competitive sale posting, at a bid price of $10,000. Evidence of project financing was provided, and the applicant is compliant and in good standing with the City of Philadelphia. This project will require an Economic Opportunity Plan. The project will also be subject to an irrevocable power of attorney and right of re-entry reverter. The property will be subject to use restrictions and require income verifications. The 15-year affordability term and Declaration of Restrictive Covenants will also be required.

Ms. Fadullon asked if anyone from the Board had questions or comments. There were none.

Ms. Fadullon called for questions or comments from the public. Ms. Lee asked for an explanation of the term “qualified bidder.” Mr. Lawrence responded that a qualified bidder is one who passes a threshold review for completeness of the application and all required disclosures. The application has a series of items listed in a checklist on the beginning of the application, including project financing, site plans, possible conflicts of interest, campaign disclosures, and indebtedness. Mr. Rodriguez elaborated that the applicant and associated entities cannot have any indebtedness to the City or City tax or water liens or serious L&I violations on any properties they own.

Another public participant asked why developers were getting priority over everyday citizens? Mr. Rodriguez responded this property was offered for competitive sale, the property was posted
for 30 days, and this was the only applicant. Anyone was welcome to bid on this property, and no one other than the applicant did.

Seeing no additional questions or comments from the public, Ms. Fadullon called for a motion to approve the disposition of 2544 South 5th Street to Civetta Property Group, LLC.

Ms. Rashid moved to approve the disposition of 2544 South 5th Street to Civetta Property Group, LLC. Mr. Koonce seconded the motion.

Upon motion made and duly seconded, the Board unanimously adopted the Resolution Authorizing Conveyance of 2544 South 5th Street to Civetta Property Group, LLC (attached to these minutes as Exhibit B).

B. Development – Assemblage – Tabled

- 2212 & 2214 Ferton Street to 1620 Point Breeze Avenue LLC (CD2)

Ms. Fadullon stated that this agenda item was being tabled because there was not adequate notice provided to Registered Community Organizations about this proposed disposition.

C. Development – Affordable Housing

- 3252 Germantown Avenue to Germantown Liberty Acquisitions LLC (CD5)

Mr. Lawrence asked the Board to approve the disposition of 3252 Germantown Avenue to Germantown Liberty Acquisitions LLC for the development of a 4-story mixed-use apartment building with 12,000 square feet of ground floor commercial space. All forty-one (41) units will be leased to tenants with household incomes at or below 60% of AMI. The disposition will be for nominal consideration. Evidence of project financing has been provided, and it includes a LIHTC (Low-Income Housing Tax Credit) component. The applicant is compliant and in good standing with the City of Philadelphia. The project will require an Economic Opportunity Plan. The project will also be subject to an irrevocable power of attorney and right of re-entry reverter. The property will be subject to use restrictions and require income verifications.

Ms. Fadullon asked if anyone from the Board had questions or comments. Mr. Koonce asked if the applicant was receiving LIHTC project financing, and Mr. Lawrence responded that they have received LIHTC allocations and will be further vetted by Housing Finance, with projected settlement in the fall.

Ms. Fadullon called for questions or comments from the public. The question was asked whether a developer could obtain private financing and then submit an application, and what was meant by affordable housing financing? Mr. Rodriguez explained that projects that make housing affordable for residents at or below 60% of AMI obtain financing using Low Income Housing Tax Credits and New Market Tax Credits to raise funds for the development of such housing. Ms. Fadullon further explained that when an applicant submits an application, one of the items reviewed is whether the applicant has sufficient financing in place to complete the project they are proposing. Another questioner asked how to apply for a property, and Ms. Fadullon referred to the link provided in the chat.
Raymond Bonwell asked about where to find the regulations for the required number of parking spaces. Ms. Fadullon responded that this information is provided in the Philadelphia Zoning Code and is dependent on the zoning code assigned to the property.

Mr. Solomon asked what is the time frame for the project to be completed and what happens if the project is not completed on time? Mr. Rodriguez responded that once approvals are granted from zoning and L&I, the property is conveyed to the applicant, and the developer then has 18 months to complete the development, which is monitored by the Land Bank.

Seeing that there were no additional questions or comments from the public, Ms. Fadullon called for a motion to approve the disposition of 3252 Germantown Avenue to Germantown Liberty Acquisitions, LLC.

Mr. Johns moved to approve the disposition of 3252 Germantown Avenue to Germantown Liberty Acquisitions, LLC. Mr. DeMarco seconded the motion.

Upon motion made and duly seconded, the Board unanimously adopted the Resolution Authorizing Conveyance of 3252 Germantown Avenue to Germantown Liberty Acquisitions, LLC (attached to these minutes as Exhibit C).

- 1611-41 Ruan Street to Frankford House LP (CD7)

Mr. Lawrence asked the Board to authorize the disposition of 1611-41 Ruan Street to Frankford House LP for nominal consideration for the development of a 4-story apartment building for very-low-income seniors. All forty-two (42) units will be leased to tenants with household incomes at or below 60% of AMI, and fourteen (14) of the units will be handicapped accessible. Evidence of project financing has been provided; this project includes LIHTC and other public financing. The applicant is compliant and in good standing with the City of Philadelphia. The project will require an Economic Opportunity Plan and will be subject to an irrevocable power of attorney and right of re-entry reverter. The property will be subject to use restrictions and income verifications.

Ms. Fadullon asked if anyone from the Board had questions or comments. There were none.

Ms. Fadullon called for questions or comments from the public. There were none.

Seeing no further questions or comments, Ms. Fadullon called for a motion to approve the disposition of 1611-41 Ruan Street to Frankford House LP.

Mr. Sauer moved to approve the disposition of 1611-41 Ruan Street to Frankford House LP. Mr. DeMarco seconded the motion.

Upon motion made and duly seconded, the Board unanimously adopted the Resolution Authorizing Conveyance of 1611-41 Ruan Street to Frankford House LP (attached to these minutes as Exhibit D).
D. Development – Business Expansion

- 28 Reger Street to Clark Roofing Company (CD8)

Mr. Lawrence asked the Board to authorize the disposition of 28 Reger Street to Clark Roofing Company for managed open space adjacent to the business. The proposal was unsolicited and evaluated pursuant to the current disposition policy. The proposed development will include fencing, picnic tables, gardens and a basketball court for its employees. The developer is paying the appraised value for this property ($15,000.00), and evidence of project financing has been provided. The applicant is compliant and in good standing with the City of Philadelphia. The project will not require an Economic Opportunity Plan but will be subject to an irrevocable power of attorney and right of re-entry reverter.

Ms. Fadullon asked if anyone from the Board had questions or comments. There were none.

Ms. Fadullon called for questions or comments from the public. Ms. Fadullon recognized Allison Weiss representing SoLo Germantown Civic Association, who stated that neighbors in the area are opposed to this proposal. The lot is area is zoned residential single family, and neighbors oppose any other use and have submitted letters and emails to that effect to the Board. Ms. Saah then read the emails received from neighbors (attached to these minutes as Exhibit E).

Michael Simone, another neighbor, stated that the community was concerned about congestion in the area and wanted more housing to be built rather than an expansion of the business.

Mr. Sauer asked for clarification about any zoning variance required for this project. Mr. Rodriguez responded that settlement would not occur until the permit for the active use (basketball court) had been obtained. Both Mr. Goodman and Mr. DeMarco clarified that passive recreation would be allowed by right but active recreation would require a use variance, which requires a Zoning Board of Adjustment hearing, which would provide an opportunity for community input. Mr. Rodriguez also confirmed that the business would not be able to convert the use to anything other than the proposed use without Land Bank Board and City Council approval.

After continuing discussion about the proposed use of the property and community opposition to the disposition, as well as the Board’s stated desire to have the applicant present at the meeting to answer questions, Mr. Harris moved to table the disposition.

Before the motion was seconded, Ms. Fadullon recognized Ms. Weiss again, who stated that Clark Roofing Company’s main building is a property on Germantown Avenue and that the company is currently using 28 Reger Street to park its trucks.

The motion to table was seconded by Mr. DeMarco, who expressed his preference that the Council District staff meeting hold a meeting with the RCOs in the area prior to the Board’s next consideration of this disposition. Mr. Harris added that the developer should attend the next Board meeting at which the disposition is presented.

Upon motion made and duly seconded, the Board unanimously adopted the resolution to table this disposition and directed the staff to continue with its follow-up.
E. Side/Rear Yards

Ms. Fadullon stated that unless a member of the Board objected, the Board would adopt the resolutions authorizing the disposition of all side/rear yards except 1912 N. Leithgow Street (because of a question in reference to that property) with one vote. No objection was made.

- 3803 Fairmount Avenue to Yulia Sodik (CD3)
- 217 E. Lippincott Street to Jonathan Fernandez (CD7)
- 1908 N. Leithgow Street to Windelin Adorno (CD7)
- 1944 N. 5th Street to Ana E. Santos (CD7)
- 2547 Mutter Street to Carmen Rivera (CD7)

Mr. Lawrence asked the Board to authorize the disposition of 3803 Fairmount Avenue to Yulia Sodik, 217 E. Lippincott Street to Jonathan Fernandez, 1908 N. Leithgow Street to Windelin Adorno, 1944 N. 5th Street to Ana E. Santos, and 2547 Mutter Street to Carmen Rivera. All applicants provided evidence of project financing and are compliant and in good standing with the City of Philadelphia. The dispositions are not subject to an Economic Opportunity Plan. All of the properties will be subject to an irrevocable power of attorney and right of re-entry reverter as well as permanently restricted for use as a side and or rear yard.

Ms. Fadullon asked if there were any questions or comments from the Board. There were none.

Ms. Fadullon asked if there were any questions or comments from the public on these dispositions. Ms. Lee asked why some areas do not permit the disposition of vacant lots as side/rear yards. Mr. Rodriguez responded that certain Council Districts, including the 2nd and 5th Districts, have set other priorities, such as affordable housing, for certain areas of those districts. Ms. Lee indicated that she had applied several times for a property listed as available but been denied. She has experienced the opposite for a lot that was listed as available. Mr. Rodriguez indicated that the area has been prioritized for affordable housing development and that the property she applied for should not be listed as available, since properties in the area will be posted as part of Requests for Proposals (RFPs) for affordable housing development.

Ms. Fadullon recognized Mr. Watson, who asked how areas for affordable housing development are identified and also stated that a lot of market rate housing development is occurring in the area in which Ms. Lee had applied for a side yard. Mr. Rodriguez explained that priorities are developed by PLB staff and the district council office and also clarified that no market rate housing development in the 5th Council District is occurring on publicly owned properties.

Ms. Fadullon read a question asking about the application for 1944 N 5th St as a side yard. Mr. Rodriguez placed the link for side yard applications in the chat (https://phdcphila.org/land/buy-land/side-and-rear-yards/) and described the criteria for a side/rear yard application; Mr. Lawrence then explained that the application had been submitted via a garden group in the community that was assisting residents with their applications. Mr. Johns followed up by requesting that the Land Management website indicate the availability of properties accurately.

Rafiq Diya Al-Fareed had a question about EOP workforce and professional service goals and whether they were available to the public for proposed projects. Mr. Rodriguez responded.
Ms. Fadullon then requested a motion to approve the side/rear yard dispositions as presented by Mr. Lawrence.

Mr. Johns moved to approve the side/rear yard dispositions as presented by Mr. Lawrence.  Mr. DeMarco seconded the motion.

Upon motion made and duly seconded, the Board unanimously adopted the Resolution Authorizing Conveyance of 3803 Fairmount Avenue to Yulia Sodik, the Resolution Authorizing Conveyance of 217 E. Lippincott Street to Jonathan Fernandez, the Resolution Authorizing Conveyance of 1908 N. Leithgow Street to Windelin Adorno, the Resolution Authorizing Conveyance of 1944 N. 5th Street to Ana E. Santos, and the Resolution Authorizing Conveyance of 2547 Mutter Street to Carmen Rivera (attached to these minutes as Exhibits F, G, H, I and J).

- 1912 N. Leithgow Street to Henry Smart, III (CD7)

Moving on to the last disposition on the agenda, Mr. Lawrence asked the Board to approve the disposition of 1912 N. Leithgow Street to Henry Smart, III.  The applicant provided evidence of project financing and is compliant and in good standing with the City of Philadelphia.  The disposition is not subject to an Economic Opportunity Plan.  The property will be subject to an irrevocable power of attorney and right of re-entry reverter as well as permanently restricted for use as a side yard.

Ms. Fadullon recognized Mr. Smart, who asked whether the mortgage would be reduced in value if the property was appraised at a value lower than $50,000.  Ms. Fadullon explained that the Land Bank obtains either a 3rd party appraisal or a Statement of Value from a licensed appraiser, and in this case, the Land Bank obtained a Statement of Value that appraised it at $50,000.  The appraisal value sets the purchase price, and the mortgage is based on the purchase price.

Seeing no further questions or comments, Ms. Fadullon called for a motion to approve the disposition of 1912 N. Leithgow Street to Henry Smart, III.

Mr. Goodman moved to approve the disposition of 1912 N. Leithgow Street to Henry Smart, III.  Mr. Sauer seconded the motion.

Upon motion made and duly seconded, the Board unanimously adopted the Resolution Authorizing Conveyance of 1912 N. Leithgow Street to Henry Smart, III (attached to these minutes as Exhibit K).

Item 5
Public Comment (Old & New Business)

Ms. Fadullon asked if any member of the public had any old or new business that they would like to bring to the Board’s attention.  She recognized Mr. Zachary, who presented his repeat request for clean-up of a large block of properties in his neighborhood that continue to be used illegally by adjoining automotive businesses and have not yet been cleaned up by PHS, despite the Land Bank’s claims.  He also asked how business expansion could be considered the highest and best use for those lots, which was previously posed as a possibility by the Land Bank, and he indicated...
that in his and his neighbors’ view, this property would have been cleaned up much more quickly if it were in a higher income neighborhood. Mr. Zachary also stated his concern that the problems with these properties are emblematic of the larger problem of lack of stewardship of publicly owned properties. Mr. Rodriguez responded that the Council District office had asked that the Land Bank reach out to the adjoining businesses to inquire if they wished to submit applications for some of the properties they were using prior to posting cease and desist notices. Ms. Fadullon suggested that the Land Bank meet with and communicate to the Council office that we are not getting much cooperation from the businesses, that the businesses’ use is resulting in violations on these properties that we need to resolve, that we continue to hear from the community that they are unhappy with the lack of progress on this issue, and that we intend to be more assertive in remedying the situation. She applauded Mr. Zachary’s continued presence at these meetings and his determination to improve his community.

Mr. Smart added a comment that increased transparency about why an applicant is denied or how a value is determined would be greatly appreciated. Mr. Rodriguez clarified that a mortgage is required by the disposition policy for all side/rear yards and that a 3rd party appraiser will extend the disposition timeline by a month, which is why we often obtain a Statement of Value from an in-house appraiser.

Ms. Lee asked where one could read about the different Council Districts’ priorities in terms of the type of development selected for support. Ms. Fadullon explained that these determinations are made via a collaborative and iterative process between Land Bank staff and Board and Council District members, and she encouraged attendees to contact their Council members and their community organizations to advocate for their priorities. She also acknowledged that greater transparency about process and decision-making is a goal that the Land Bank continues to work towards.

All comments submitted in the Q&A are attached to these minutes following the list of public attendees.

Item 6
Adjournment

There being no further business to address, Ms. Fadullon called for a motion to adjourn the meeting.

Mr. Koonce moved to adjourn the meeting. Mr. Harris seconded the motion.

Upon motion made and duly seconded, the Board voted to adjourn.

The meeting was adjourned at 11:24 am.

WHEREAS, Section 16-707 of the Philadelphia Code authorizes the Philadelphia Land Bank (“Land Bank”) to convey, exchange, sell, transfer, lease, grant or mortgage interests in real property of the Land Bank in the form and by the method determined to be in the best interests of the Land Bank, subject to approval by resolution of Philadelphia City Council, and subject further to the terms and conditions of Chapter 16-404 of the Philadelphia Code.

WHEREAS, the Board of Directors (the “Board”) has determined that it is in the best interest of the Land Bank to convey 1921 S. 6th Street (the “Property”) to Civetta Property Group, LLC (the “Purchaser”).

NOW THEREFORE, BE IT HEREBY RESOLVED by the Board of Directors of the Philadelphia Land Bank that:

1. The conveyance of the Property to the Purchaser for Ten Thousand and 00/100 Dollars ($10,000.00) is in the best interests of the Land Bank and is hereby approved, subject to approval by resolution of Philadelphia City Council.

2. The conveyance of the Property complies with all applicable terms and conditions of Section 16-404 of the Philadelphia Code, subject to approval by resolution of Philadelphia City Council.

3. Hi Andrea and all,
I am a near neighbor on Portico Street, living near the intersection of Portico and Manheim Streets since 2007.

28 Reger Street is zoned residential (RSA5) and is adjacent to other vacant lots and small rowhouses, as well as a garage owned by the applicant.

I question whether "business expansion as open space" is permitted in a residential district when the applicant is a commercial roofing company.

A couple of months ago, someone shared a proposal from Clark to create a basketball court on this lot (?) I gathered the proposal was that this would be a gated recreational space for use by Clark employees. A basketball court would be an active use that is not allowed by right in RSA-5. This would require an exception including a public review process. A basketball court also implies a height of fencing, and perhaps lighting, that would not be allowed in the RSA-5 district without exceptions.

Some neighbors, including me, fear that Clark's intention is actually to create a future loading zone for material onto their trucks.

The City's L&I Department has limited resources, and seldom enforces code in this neighborhood. In this context, the Land Bank needs to be more vigilant and proactive in setting and enforcing conditions of sale for any applicant. Generally speaking, I do not think the Land Bank has the authority to convey land for a use that is not allowed by right.

Thanks for your service!
Sincerely,
Andrew Pirie

REAL ESTATE Mr. Harmon presented "Item IV – Conveyance of Title of City Property and Rescission of Resolution No. 2020-55, Adopted on September 9, 2020" in substance consistent with the Fact Sheet attached hereto. Additional Comments and Discussion Mr. Harmon informed the Board that the transfer of this property was originally approved as a development item at the September 9, 2020 Board meeting. The item being presented today will be correcting the fact that 28 Reger Street should not have been presented as a development item in September as that property is currently owned by the City of Philadelphia ("City"), not the Redevelopment Authority. Mr. Harmon stated that, because this property is owned by the City, it should have been presented as a City transfer and not a development item. As such, staff is asking that Resolution No. 2020-55, adopted September 9, 2020, be rescinded as well to prevent potential confusion in the future. Ms. Fadullon asked if 28 Reger Street would ultimately need approval by City Council prior to any transfer. Mr. Rodriguez stated yes and stated it would also have to be reviewed and approved by the City's Planning Commission. Ms. Fadullon recognized Ms. Weiss and invited her to speak. Ms. Weiss asked what program this transfer falls under. Mr. Rodriguez replied that there was an error and 28 Reger Street is not in the Authority's inventory; however, it is a City owned property and that is why the Board is being requested to take action today. Mr. Rodriguez stated that the Redevelopment Authority is essentially a pass-through entity for this transfer. Ms. Weiss stated that nothing was posted on the property. Mr. Rodriguez responded that he has photos showing the notice was posted on 28 Reger Street and will provide this information to Ms. Weiss. Ms. Weiss replied that she disagrees that the property was posted. Mr. Rodriguez stated that the Department of Public Property has approved this property for disposition. Board Action Ms. Fadullon called for a motion on the amended resolution. Upon motion made and duly seconded, the amended resolution was approved as follows: 15 Board Meeting of October 14, 2020 Volume 65– Page 205 RESOLUTION NO. 2020-69 (RESCINDING RESOLUTION NO. 2020-55, ADOPTED ON SEPTEMBER 9, 2020) CITY OF PHILADELPHIA – DEPARTMENT OF PUBLIC PROPERTY - RESOLUTION AUTHORIZING ACCEPTANCE OF TITLE FROM THE CITY OF PHILADELPHIA TO VARIOUS PROPERTIES AND DISPOSITION OF SUCH PROPERTIES AND RESCSSION OF RESOLUTION NO. 2020-56, ADOPTED ON SEPTEMBER 9, 2020 WHEREAS, certain properties have been acquired by the City of Philadelphia (the "City") and determined to be surplus to the needs of the City, WHEREAS, the City Commissioner of Public Property has recommended that the surplus property listed below be made available for disposition in accordance with the provisions of Section 16-400 of the Philadelphia Code. WHEREAS, the City Commissioner of Public Property has also recommended to City Council the below disposition. WHEREAS, the Philadelphia Land Bank ("PLB") has reviewed the proposed disposition and has agreed with the recommendation of the City Commissioner of Public Property. WHEREAS, the PLB, on as agent for the City, will prepare a Purchase and Development Agreement ("PDA") to be recorded against the below property to be recorded prior to any conveyance. WHEREAS, the property identified below will be conveyed for market rate consideration. NOW THEREFORE, BE IT RESOLVED by the Philadelphia Redevelopment Authority, that authorization is hereby given to the Authority to accept title from the City of Philadelphia for properties listed below and for the preparation, execution, acknowledgment and delivery of a deed to the Grantee(s) herein listed conveying the respective properties for the following consideration: Address Grantee(s) Price 28 Reger Street Clark Roofing Company $15,000 (Appraisal) FURTHER RESOLVING, that for the foregoing conveyance, a self-amortizing mortgage in the amount of the purchase price will be provided in accordance with the City's Land Disposition Policy.
