WHEREAS, the Board desires to appoint certain individuals to the Board of Directors of RT HeadHouse.

NOW THEREFORE, BE IT RESOLVED, by the Philadelphia Redevelopment Authority, that the following individuals are appointed to serve as directors of RT HeadHouse Development Corporation for a term of one year beginning January 15, 2015 or until such time as the Authority shall terminate any such appointment:

James Cuorato
David Thomas
Ryan Harmon
Angela Chandler
Melvis Dunbar

FURTHER RESOLVING, that the Executive Director with the advice of General Counsel may allow modifications to this Resolution necessary or desirable to carry out its purposes and intents.

Voting for the foregoing resolution: Mr. Cuorato, Mr. Greenberger and Mr. Dubow.
Mr. LaBrum presented "Item I (b) – Professional Services Contract for Auctioneering Services with Fisher Auction Company" in substance consistent with the Fact Sheet attached hereto.

Additional Comments and Discussion

Mr. Cuorato inquired if an auction date has been scheduled. Mr. LaBrum responded not at this time.

Mr. Dubow asked for a further explanation with regards to compensation. Mr. LaBrum replied that Fisher Auction Company would receive a flat fee of $31,000 for marketing and costs associated with holding the auction and an additional 3% commission for complete settlement.

Mr. LaBrum stated that the other applicant Max Spann proposal consisted of $750 per auction, which ultimately could amount to a $145,000 flat fee.

Mr. Greenberger stated that the Fisher deal is more feasible.

Board Action

Mr. Cuorato called for a motion on the resolution. Upon motion made and duly seconded, the resolution was approved as follows:

RESOLUTION NO. 2501-02

RESOLUTION AUTHORIZING THE AUTHORITY TO ENTER INTO A PROFESSIONAL SERVICE CONTRACT WITH FISHER AUCTION COMPANY ("FISHER") FOR AUCTIONEERING SERVICES FOR THE SALE OF APPROXIMATELY 200 PUBLICALLY-OWNED VACANT STRUCTURES AND PARCELS IN COUNCIL DISTRICT 1

WHEREAS, the Authority issued a Request for Proposals ("RFP") seeking responses from auctioneering firms willing and capable of conducting a live retail, one-day public auction for approximately 200 vacant structures and parcels;

WHEREAS, Fisher submitted its Response to the RFP wherein Fisher has stated that it has extensive experience on the scope of work required and overall approach necessary to complete the work;

NOW THEREFORE, BE IT RESOLVED, by the Philadelphia Redevelopment Authority, that authorization is hereby given to the Authority’s Executive Director to enter into a Professional Service Contract with Fisher Auction Company for auctioneering services for the sale of approximately 200 publically-owned vacant structures and parcels in Council District 1.
FURTHER RESOLVING, that the Executive Director with the advice of General Counsel may allow modifications to the Resolution and Professional Service Contract necessary or desirable to carry out its purposes and intents.

Voting for the foregoing resolution: Mr. Cuorato, Mr. Greenberger and Mr. Dubow.

Mr. Harmon presented "Item I (e) – Insurance Investigation Contingency Contract with Eisenstein Malanchuk LLP" in substance consistent with the Fact Sheet attached hereto.

Additional Comments and Discussion

Mr. Harmon advised the Board that Eisenstein Malanchuk LLP ("EM LLP") has agreed to perform an investigation on a contingency fee basis to determine whether there is insurance coverage that might contribute towards any potential liability imposed against the Authority for remediation of the Clearview Landfill. Eisenstein would receive a fee from the Authority of 25% of all monetary payments made by Authority insurers; however, no fee would be paid if there are no monetary payments made by any Authority insurers. Mr. Harmon indicated that any such fee would be paid by the Authority's outside counsel, Langsam, Stevens, Silver & Hollaender, LLP ("Langsam").

Mr. Harmon stated that Langsam suggested to the Authority that EM LLP be retained for this project. Langsam will enter into the contract directly with EM LLP. Upon the advice of Langsam, EM LLP is very reputable and is one of a very few firms in the country to perform this type of service.

Mr. Greenberger asked if this specific language is outlined in the contract and whether our outside counsel was aware of the terms. Mr. Harmon responded yes.

Board Action

Mr. Cuorato called for a motion on the resolution. Upon motion made and duly seconded, the resolution was approved as follows:

RESOLUTION NO. 2501-03

RESOLUTION AUTHORIZING AUTHORITY COUNSEL TO ENTER INTO AN INSURANCE INVESTIGATION CONTINGENCY CONTRACT WITH EISENSTEIN MALANCHUK LLP TO SERVE AS AN INVESTIGATOR TO DETERMINE IF THERE IS ANY INSURANCE COVERAGE FOR ANY POTENTIAL AUTHORITY REMEDIATION LIABILITY AT THE CLEARVIEW LANDFILL

into an insurance investigation contingency contract with Eisenstein Malanchuk LLP, to serve as an investigator in connection with the determination of whether there is insurance coverage that might contribute towards any potential liability imposed against the Authority for remediation of the Clearview Landfill. The maximum compensation under such contract shall not exceed 25% of all monetary payments made by Authority insurers located by Eisenstein Malanchuk LLP for any assessed liability of the Authority. No fee will be paid if there are no monetary payments made by any Authority insurers.

FURTHER RESOLVING, the preparation of all documentation necessary to carry out the foregoing in form and substance acceptable to the Executive Director and General Counsel.

REAL ESTATE

Mr. Abernathy presented "Item III – Conveyance of Properties" in substance consistent with the Fact Sheet attached hereto.
Additional Comments and Discussion

Mr. Abernathy advised the Board that there are some concerns with various properties which were submitted in the VPRC package.

Mr. Abernathy stated that the properties located on South Bouvier Street were selected under an RFP for affordable housing and Allegretti was ultimately selected by the Authority. The properties located on West Dauphin Street are being disposed at nominal consideration because the proposed use is a community use and the original application was from 1989. Mr. Abernathy indicated that the property at 1916 Federal Street was reduced to nominal consideration because the applicant is living in the property and applied for this under the "dollar house" program.

Mr. Abernathy stated that the properties located at 1615, 1618 and 1620 S. 20th Street are being disposed at nominal consideration because the Urban Roots is a sister project to the PRA. These properties will be used for a community benefit and the disposition was approved by the Real Estate Review Committee.

Mr. Abernathy stated that the value of the property located at 3915 Lancaster Avenue was reduced to its current price because the grantee, Central Auto Supply, is an old applicant and owns the adjacent parcel.

Mr. Abernathy stated that 1914 Ellsworth Street and 1927 and 1929 Manton Street are being deleted from the VPRC package at this time. Mr. Abernathy stated that the Councilman has been made aware of this.

Mr. Dubow requested that VPRC fill out the fact sheets more completely before submission to the Board.

Mr. Cuorato stated that the Board Resolution be amended to delete the three (3) properties: 1914 Ellsworth Street and 1927 and 1929 Manton Street.

Board Action

Mr. Cuorato called for a motion on the amended resolution. Upon motion made and duly seconded, the amended resolution was approved as follows:

Request:

Approval of a contingency contract between the Authority's outside counsel, Langsam, Stevens, Silver & Hollaender, LLP ("Langsam"), and Eisenstein Malanchuk LLP ("Eisenstein"), for Eisenstein to serve as an insurance investigator to determine whether there is insurance coverage that might contribute towards any potential liability imposed against the Authority for remediation of the Clearview Landfill.

Background:

The Clearview Landfill is located on the border between the City of Philadelphia and Delaware County immediately adjacent to the Eastwick neighborhood of Southwest Philadelphia. The Environmental Protection Agency ("EPA") has notified the Authority that it may potentially be liable under CERCLA for a portion of the cost of the remediation of the Site. The Clearview Landfill accepted waste for landfilling purposes from approximately 1958 until 1974, when it was shut down as a landfill by a court order.

The Authority's potential liability stems from its ownership of certain parcels that were eventually developed into the current Eastwick neighborhood in the 1960's. City Park was also owned by the Authority prior to deeding it to the City in 1969. The properties owned by the Authority were adjacent to the Clearview Landfill.

On September 29, 2014, the EPA issued its Record of Decision ("ROD") for the Clearview Landfill. Although the EPA has not identified any potentially responsible parties ("PRP") as of this date, it is possible that the Authority could be identified as a PRP.

Through an investigation performed within the Authority, it is believed that the Authority may have had insurance coverage during the period of its ownership, although a physical policy has not been located.

The Authority, through Langsam as outside counsel, has examined the possibility of hiring an insurance investigator/archeologist to determine if there is any insurance coverage for the Authority for the relevant time period and to locate any such policies. Eisenstein has proposed to undertake such investigation on a contingency fee basis - i.e., in the event any insurance coverage is located and proceeds are paid...
on behalf of the Authority with respect to required remediation at the Clearview Landfill, Eisenstein will receive a fee from the Authority of 25% of all monetary payments made by Authority insurers. No fee will be paid to Eisenstein if there are no monetary payments made by any Authority insurers.

Langsam suggested to the Authority that Eisenstein be retained for this project. Langsam will enter into the contract directly with Eisenstein. Upon the advice of Langsam, Eisenstein is very reputable and is one of a very few firms in the country to perform this type of service.

Proposed Resolution is attached.

REQUEST: Approval of contract between M & L Compliance Management, LLC, to provide Compliance Monitoring Services for HOME and NSP funded rental housing developments. This is a one (1) year contract with an option to renew for two (2) successive one (1) year renewal terms at the sole discretion of the PRA.

OVERVIEW: In accordance with 24 CFR §92, the Authority is required to perform the following services for HOME and NSP funded rental housing developments: conduct the file audit of annual recertifications for income eligibility; conduct audits of full recertification at the end of every five (5) years through the end of the HOME compliance period; review the correct annual income and rental charts for distribution to grantees; review and approve property rent schedules and subsequent rental increases; and meet with grantees on-site for file reviews and unit inspections.

Since the Authority is responsible for monitoring approximately 4,000 residential rental units at various stages within their HOME and NSP compliance periods with a small staff, we are requesting the assistance of a firm that is qualified to assist with the aforementioned services as well as provide technical assistance.

In December 2014, the Authority issued a Request for Proposals ("RFP") for Compliance Monitoring Services for HOME and NSP funded residential developments. All bids were due by January 6, 2014. The Authority received one (1) response to the RFP - the Authority selected M & L Compliance Management, LLC, the only party to respond to the RFP for Compliance Monitoring Services.

The contract will be based on an annual maximum fee of Seventy-nine Thousand Two Hundred Dollars ($79,200), plus travel expenses, for a term of one (1) year with options to renew the Contract for two (2) successive one (1) year renewal terms at the sole discretion of the PRA.

Proposed Resolution is attached.
