ADD ON ITEM

Additional Comments and Discussion

Mr. Thomas informed the Board that M & L Compliance Management, LLC ("M & L") has been selected to conduct and complete a five (5) year audit and recertification. Mr. Thomas stated today’s action by the Board would allow M & L to clear audit findings and to be current with ongoing regulatory requirements.

Ms. Rodriguez asked what the monitoring requirements are on an annual basis. Mr. Thomas replied that staff would have to inspect 25% of the approximate 4,000 subject units owned by the Authority, which would be about 1,000 to 1,250 inspections. These are units that the Authority has financed.

Mr. Dubow asked if only one (1) RFP was received. Mr. Thomas responded yes and indicated that that this contract is for one (1) year with an option to renew for two (2) successive one (1) year renewal terms.

Ms. Rodriguez asked how other city organizations handle this type of audit. Mr. Thomas stated that PHA uses M & L for their audits. Mr. Thomas further stated that he was unable to find other firms that handle this type of work.

Mr. Thomas stated that other agencies do not have the same volume as the Authority has and smaller jurisdictions can handle their volume while the Authority cannot.

The mortgage balance will decrease by 10% each year that the owner remains in compliance with the Authority's Land Disposition Policy and will require no payment unless the owner sells the property within the 10-year period from the date of the mortgage.

COMMENTS OR OTHER CONDITIONS:

Per Chapter 17-1600 of the Philadelphia Code, an Economic Opportunity Plan is not required for this transaction given the improvement budget is under $250,000.

REQUEST: Approval of contract between M & L Compliance Management, LLC, to provide Compliance Monitoring Services for HOME and NSP funded rental housing developments. This is a one (1) year contract with an option to renew for two (2) successive one (1) year renewal terms at the sole discretion of the PRA.

OVERVIEW: In accordance with 24 CFR §92, the Authority is required to perform the following services for HOME and NSP funded rental housing developments: conduct the file audit of annual recertifications for income eligibility; conduct audits of full recertification at the end of every five (5) years through the end of the HOME compliance period; review the correct annual income and rental charts for distribution to grantees; review and approve property rent schedules and subsequent rental increases; and meet with grantees on-site for file reviews and unit inspections.

Since the Authority is responsible for monitoring approximately 4,000 residential rental units at various stages within their HOME and NSP compliance periods with a small staff, we are requesting the assistance of a firm that is qualified to assist with the aforementioned services as well as provide technical assistance.

In December 2014, the Authority issued a Request for Proposals ("RFP") for Compliance Monitoring Services for HOME and NSP funded residential developments. All bids were due by January 6, 2014. The Authority received one (1) response to the RFP - the Authority selected M & L Compliance Management, LLC, the only party to respond to the RFP for Compliance Monitoring Services.

The contract will be based on an annual maximum fee of Seventy-nine Thousand Two Hundred Dollars ($79,200), plus travel expenses, for a term of one (1) year with options to renew the Contract for two (2) successive one (1) year renewal terms at the sole discretion of the PRA.

In 2002, the Authority, at the direction and with the cooperation of the City, developed the Neighborhood Transformation Initiative (NTI) program (the “Program”). The Program is designed for the revitalization, renewal, redevelopment and transformation of blighted areas within the City to promote the health, safety and welfare of the residents of the City. In consideration of the Authority’s agreement to undertake the Program and issue its revenue bonds to finance the costs of the Program, the City agreed to pay to the Authority a service fee equal to the amount of required debt service in accordance with the Service Agreement dated as of April 15, 2002, as previously amended and supplemented (the “Service Agreement”).

The City has requested the Authority to issue up to $131,000,000 of Revenue Refunding Bonds, Series 2015 (City of Philadelphia Neighborhood Transformation Initiative) (the “2015 Bonds”) in one or more series, for the purpose of refunding a portion of the 2005 Bonds. The refunding will reduce the interest rate thereby reducing the annual debt service to be paid by the City.

The Board is requested to adopt a resolution to approve the issuance of the 2015 Bonds, the redemption of the 2005 Bonds, the preparation, distribution and deeming final of the Preliminary Official Statement, the preparation, execution and delivery of the final Official Statement, and the execution of the 2015 Bonds, a Fifth Supplemental Indenture between the Authority and the trustee, a Fourth Supplemental Service Agreement between the Authority and the City and the Bond Purchase Agreement, between the Authority and the underwriters.
