SECRETARY TO THE BOARD
Request: The Board is requested to authorize the establishment of a defined contribution pension plan for all Authority employees hired after January 15, 2015 to be administered by ICMA Retirement Corporation.

Background: On January 14, 2015, the Board authorized a Collective Bargaining Agreement between the Authority and AFSCME Local 1971 with a term of July 1, 2004 through June 30, 2016. It further authorized the Executive Director and/or his designees to execute the agreement and take such action as is necessary to implement its terms. As such, both parties agreed that all employees hired after January 15, 2015 shall no longer be eligible to participate in the Defined Benefit Plan offered by the Authority and therefore, shall be entered into a newly created Defined Contribution Plan.

At a minimum, the Defined Contribution Plan shall have the following components:

- The Defined Contribution Plan shall be “tax qualified” under Section 401(a) of the Internal Revenue Code
- Employees hired after January 15, 2015 shall be automatically enrolled and required to contribute a minimum of 2% of their earned bi-weekly pay
- The PRA shall be required to match up to 5% of the employee’s contribution
- The DC Plan shall have a ten (10) year vesting period.

The decision to choose ICMA-RC was based solely on their mission and commitment to build retirement security for public sector employees. ICMA-RC serves over a million participant accounts and 9,000 plans across the country.

Request:

Approval to amend a contract between the Authority and Forsyth Street Advisors, LLC ("Forsyth") to increase the scope of work, extend the term, and increase the compensation amount up to a maximum of $250,000.

Background:

The Philadelphia Home Improvement Loan ("PHIL") program was closed in FY14. In October 2013, the Authority issued a Request for Qualifications ("RFQ") to engage a financial consultant to serve as financial advisor in connection with the defeasance of bonds related to the PHIL program (the "Bonds") and the potential sale of pools of residential mortgage loans held by the Authority.

The Authority received three (3) responses and selected Forsyth as the most responsive bidder because of its experience and qualifications to perform the services stated in the RFQ.

The Authority entered into a professional services agreement (the "Agreement") with Forsyth to: 1) review and collect necessary information on the PHIL program, the PHIL portfolio, and the Bonds; and 2) advise the Authority on the potential sale of the PHIL portfolio. The contract amount was $30,000.

An amendment to the Agreement is necessary so that Forsyth can provide a pro forma analysis to include sources and uses of funds for the defeasance of the outstanding Bonds in order to conform to certain regulatory requirements. Forsyth will also assist in the liquidation of the Mortgage Backed Securities and Guaranteed Investment Contract investments and coordinate the actions of the Authority, Bond Counsel, and Trustee to execute the defeasance. Forsyth will receive an additional compensation of $50,000 to perform the foregoing services.

Once the Bonds have been defeased, Forsyth will assist the Authority on all aspects of the remaining PHIL portfolio by either coordinating the sales of the remaining PHIL portfolio to qualified purchasers or securing a loan using the PHIL portfolio as collateral. Forsyth will receive an additional fee of 2% of the principal amount of any loans sold or 1% of the principal amount if the PHIL portfolio is collateralized.

The Agreement will also be amended to extend the term to December 31, 2015.

Proposed Resolution is attached.

NATURE OF TRANSACTION: Approval of the Neighborhood Transformation Initiative (“NTI”) grant in the amount up to One Hundred Thousand Dollars ($100,000) to allow the Philadelphia Redevelopment Authority (“Authority”) to utilize the funds for minor home repairs to the Union Hill Homes homeowners. The grant shall be used to pay vendors for repairs made to electrical outlets, smoke and carbon monoxide detector wires, plumbing draining, HVAC, roofing downspouts, and carpentry.

BACKGROUND INFORMATION: Resolution No. 18,373 approved February, 2007, authorized the Authority to enter into two non-recourse construction/permanent loan agreements with Homeownership Developers, LLC, in the amount up to Eight Million Five Hundred Thirty Thousand Dollars ($8,530,000) utilizing a CDBG Float loan and HOME funds. The CDBG Float loan was in the amount of Four Million Four Hundred Thousand Dollars ($4,400,000), to be repaid upon the sale of the properties. The HOME funds in the amount up to Four Million One Hundred Thirty Thousand Dollars ($4,130,000) were pro-rated among the homebuyers in the form of a second mortgage for the term of fifteen (15) years. The loans were used to assist in the new construction of fifty-one (51) homes in the Mantua neighborhood of West Philadelphia. To date, thirty-nine (39) of the homes have been sold, with twelve (12) remaining.

The co-owner of Homeownership Developers, LLC was recently indicted by the federal government. The implications of the indictment resulted in unfinished maintenance to some of the sold units, and the non-sale of twelve (12) units. The Authority has received numerous calls and complaints from some of the thirty-nine (39) homeowners stating that the developer had not fulfilled its obligation to correct the repairs and maintenance on their properties.

COMMENTS OR OTHER CONDITIONS: The NTI grant will directly address the minor repairs to the homes. The homeowners will be responsible for selecting qualified contractors to complete the scope of work. The grant to each homeowner will not exceed $5,000. The contractors are required to have all permits secured. The repairs will not include any cosmetic work. Disbursements will be made directly to vendors contingent upon receipts for work completed.

BOARD ACTION REQUESTED:

Authorize the Authority to utilize the NTI funds in the amount up to One Hundred Thousand Dollars ($100,000) for disbursement to vendors.

BACKGROUND INFORMATION: Resolution No. 18,588 approved January, 2008, authorized the Authority to enter into a non-recourse Construction/Permanent Loan Agreement with Paschall in the amount of Nine Hundred Forty-Five Thousand Dollars ($945,000) for a term of forty-five (45) years. This loan closed on February 28, 2008 and is secured by a second lien position.
