Mr. Thomas presented "Item I (a) – NTI Grant Funding for Filbert Street Lighting Project" in substance consistent with the fact sheet attached hereto.

Additional Comment and Discussion

Mr. Cuorato asked if the Convention Center is responsible for maintenance of the exterior of the building. Mr. Thomas replied that the Convention Center is responsible for maintenance, including painting.
Mr. Dubow asked if the Authority has any responsibility for maintenance. Mr. Thomas responded no.

Mr. Greenberger inquired as to whether lead paint was used in the painting of the underside of the overpass. Mr. Thomas replied that he doesn't believe so and that the area has been repainted often. Notwithstanding, Mr. Thomas did state that there is a painted area currently covered by netting. This area potentially contains lead paint. Mr. Thomas stated that he would bring this issue up prior to the start of the project.

Ms. Rodriguez abstained because of a potential conflict of interest.

**Board Action**

Mr. Cuorato called for a motion on the resolution. Upon motion made and duly seconded, the resolution was approved as follows:

**Additional Comments and Discussion**

Mr. Ali joined the meeting already in progress and asked if this action was in any way related to the PHA Sharswood/Blumberg project. Mr. Cuorato responded no.

**Board Action**

Mr. Cuorato called for a motion on the resolution. Upon motion made and duly seconded, the resolution was approved as follows:

**RESOLUTION NO. 2015-114**

WHEREAS, the remediation will be funded with Neighborhood Transformation Initiative ("NTI") Qualified Revenue Bond ("QRB") funding and will further the public purposes of the City by assisting in future redevelopment of this area in support of the Choice Neighborhood Program.

Ms. Chen presented "Item I (c) – NTI QRB Grant Funding for Water Main Repair at 1650 N. 33rd Street" in substance consistent with the Fact Sheet attached hereto.

Additional Comments and Discussion

Ms. Rodriguez asked if $50,000 is enough to cover the materials and expenses for the water main repair. Ms. Chen replied yes. Ms. Chen stated that City staff would replace the damaged pipes.

Mr. Dubow asked about the costs associated with the materials and the opening of the sinkhole. Ms. Chen responded the materials being used would consist of new piping, crane rental and a support system along with use of crane operator. The support system is required to prevent the sinkhole from further collapsing.

Mr. Dubow asked how the site will appear upon completion of the project. Ms. Chen stated that the dirt and grass would be replaced and it would look like it did prior to the water main break.

Board Action

Mr. Cuorato called for a motion on the resolution. Upon motion made and duly seconded, the resolution was approved as follows:

DEVELOPMENT

Mr. Lawrence presented "Item II (a) – Conveyance of Properties to City of Philadelphia" in substance consistent with the Fact Sheet attached hereto.

Additional Comments and Discussion

Mr. Greenberger asked if the entire garden is owned by the Authority. Mr. Lawrence responded that while the Authority owns most of the block, the Philadelphia Housing Authority owns some of the parcels as well. Mr. Lawrence stated that properties would be owned by Public Property; however, Parks and Recreation would oversee the maintenance.

Board Action

Mr. Cuorato called for a motion on the resolution. Upon motion made and duly seconded, the resolution was approved as follows:

RESOLUTION NO. 2015-116

Additional Comments and Discussion

Mr. Greenberger asked if the redeveloper is building nineteen (19) separate units on the parcel. Mr. Lawrence replied that they are not separate units; rather, the units would be stacked to fit on the parcels.

Ms. Rodriguez asked if staff has the past performance history of redeveloper with respect to MBE/WBE. Mr. Lawrence responded that the redeveloper's most recent project was Urban Roots. Mr. Lawrence stated that the redeveloper is very familiar with the EOP process.

Mr. Ali asked when the original Economic Opportunity Plan ("EOP") was executed. Mr. Lawrence responded February 24, 2014.

Mr. Ali stated the EOP for this project was submitted over a year ago, and City Council adopted new legislation regarding EOP's in 2015, per Code Section17-1603. Mr. Ali requested that the Board enforce the updated EOP guidelines. Mr. Cuorato replied today's action by the Board simply extends the construction completion deadline to October 31, 2017.

Mr. Abernathy stated that the Authority already entered into the redevelopment agreement and that this action was simply extending the completion date under the redevelopment agreement. As such, there is no need for a new EOP.

Board Action

Mr. Cuorato called for a motion on the resolution. Upon motion made and duly seconded, the resolution was approved as follows:

RESOLUTION NO. 2015-117

RESOLUTION AUTHORIZING THE FIRST AMENDMENT TO THE REDEVELOPMENT AGREEMENT WITH FRANKFORD STACKS, LP, REGARDING 2012-2018 FRANKFORD AVENUE, NEW KENSINGTON-FISHTOWN
WHEREAS, Pursuant to Resolution No. 2014-12, adopted February 12, 2014, Frankford Stacks, LP ("Redeveloper") was approved as redeveloper of 2012-2018 Frankford Avenue (the "Property");

WHEREAS, Redeveloper and the Authority executed a Redevelopment Agreement dated January 31, 2014 ("Redevelopment Agreement") for the Property;

WHEREAS, the Redevelopment Agreement provides that the Redeveloper must complete construction by December 27, 2015;

NOW THEREFORE, BE IT RESOLVED, by the Philadelphia Redevelopment Authority, that the Authority is authorized to enter into a First Amendment to Redevelopment Agreement for 2012-2018 Frankford Avenue with Frankford Stacks, LP, extending the construction completion date from December 27, 2015 to October 31, 2017.

FURTHER AUTHORIZING, the preparation, execution, and delivery of all documentation necessary to carry out the foregoing in form and substance acceptable to the Executive Director and General Counsel.

FURTHER AUTHORIZING, that the Executive Director, with the advice of General Counsel, may allow modifications to the Resolution necessary or desirable to carry out its purposes and intents.

Voting for the foregoing resolution: Mr. Cuorato, Ms. Rodriguez, Ms. Coleman, Mr. Greenberger and Mr. Dubow.

Mr. Lawrence presented "Item II (c) – Assignment of Development Rights & Approval of Restated Redevelopment Agreement with 412 Sigel LLC" in substance consistent with the Fact Sheet attached hereto.

Additional Comments and Discussion

Mr. Cuorato asked if this was a title issue. Ms. Nikolic responded yes.
Mr. Harmon informed the Board that the original owner sold the property without the Authority's permission and that there were deed restrictions for this parcel. The new owner has agreed to undertake certain development obligations and agreed to enter into a new redevelopment agreement.

Mr. Dubow stated that, according to the "Sources and Uses of Funds" sheet, the uses are higher than the sources for this project. Mr. Ali inquired as to the same apparent discrepancy. Mr. Lawrence replied that the property has already been purchased and that the "Uses" should not reflect the acquisition costs. Mr. Cuorato responded that the purchase price and closing costs were included when they should not have been. Mr. Cuorato reiterated that the developer has enough funding to develop the property.

**Board Action**

Mr. Cuorato called for a motion on the resolution. Upon motion made and duly seconded, the resolution was approved as follows:

**RESOLUTION NO. 2015-118**

Ms. Callanen presented "Item II (e) – Selection of Redeveloper, Franklin Wealth, Inc." in substance consistent with the Fact Sheet attached hereto.

Additional Comments and Discussion

Mr. Ali asked why the sources were greater than the uses on the "Sources and Uses of Funds" sheet. Ms. Callanen responded that the developer incorrectly listed total amount of its cash assets and that the developer would actually only use a portion of those assets.

Mr. Ali asked who completes the "Sources and Uses of Funds" sheet. Ms. Callanen replied the developer completes this form.
Board Action

Mr. Cuorato called for a motion on the resolution. Upon motion made and duly seconded, the resolution was approved as follows:

Mr. Cuorato stated that the "Sources and Uses of Funds" sheet indicates that the Valley Green financing was not committed. Mr. Cuorato further stated that the figures were not legible. Ms. Rodriguez stated that the forms need to be completed correctly and figures need to add up.
Ms. Callanen informed the Board that, in the past, the developer has submitted various documents such as line of credit, term sheets or bank account information.

Mr. Greenberger requested that staff clarify the sources and uses and provide this information to the Board. Ms. Callanen replied that she would contact the developer to confirm financing and forward the documentation to the Board.

Mr. Ali stated that Mr. Greenberger previously indicated that he was going to follow-up with his staff about Mr. Ali's concerns raised at a prior meeting.

Mr. Ali stated that City Council adopted a new EOP law under Code Section 17-1603.

Mr. Ali informed the Board that he reviewed the City Council meeting transcript from June with regards to PHA Sharswood/Blumberg project. Mr. Ali asked the Board if any update has been given to them recently by staff. Mr. Abernathy responded that staff has not presented an update to the Board. Mr. Abernathy stated that staff recently filed two (2) Declaration of Takings for the PHA Sharswood/Blumberg project.

Mr. Abernathy stated that the Authority is condemning properties on behalf of PHA. These properties are not coming into the Authority's inventory.

Mr. Ali asked if the Authority is the relocation agent. Mr. Abernathy replied that staff is overseeing the relocation process.

Mr. Ali informed the Board that the community has concerns regarding this project and an upcoming meeting will be taking place at 32nd Street.

Mr. Cuorato stated that the Authority is merely acting as agent for PHA and is not a partner. The agency agreement was presented to the Board and the Board approved the transaction.

Mr. Ali asked about the appraisals for the PHA Sharswood/Blumberg project and if there is just one appraisal firm providing services. Mr. Abernathy replied that multiple appraisal services are being used. Mr. Abernathy further stated that the values are not public at this time and the appraisals could not be shared.

Mr. Abernathy addressed Mr. Ali's concerns with regards to EOP's and stated that when EOP's are required for projects, staff forwards them to the City for review. The City of Philadelphia compliance department follows the current law.

Mr. Ali stated that EOP plans were previously attached to Board packages. Mr. Abernathy responded that Mr. Ali can submit a Right to Know request to obtain this information.

PHILADELPHIA REDEVELOPMENT AUTHORITY

SPECIAL BOARD MEETING MINUTES

A special meeting of the Board of Directors of the Philadelphia Redevelopment Authority was held on Friday, October 30, 2015, commencing at 9:01 a.m. in the offices of the Philadelphia Redevelopment Authority, being its regular meeting place, 16th floor, 1234 Market Street, Philadelphia, Pennsylvania, pursuant to proper notices.

ROLL CALL

The following members of the Board of Directors reported present: James Cuorato, Chairman; Jennifer Rodriguez, Vice Chairman; Rob Dubow, Treasurer; and Beverly Coleman, Secretary.

The following member of the Board of Directors was not present: Alan Greenberger, 2nd Vice Chair.

The following members of the Authority staff were present: Brian Abernathy, Ryan D. Harmon, Esquire, David Thomas, Tania Nikolic, Peilin Chen, Susan Callanen and Elizabeth Bonaccorso.

Also in attendance: Anna Adams, Finance Department.

ANNOUNCEMENTS

Mr. Cuorato stated that today's meeting is a special meeting of the Board of Directors which has been properly advertised in accordance with the Sunshine Act.

ADMINISTRATIVE

Mr. Harmon presented "Item I – Cooperation Agreement with the City of Philadelphia; Easement to Extend the Delaware River Trail" in substance consistent with the Fact Sheet attached hereto.

Additional Comments and Discussion

Mr. Dubow asked if an estimate of costs was prepared for this project. Mr. Harmon replied that the Authority has provided a budget to the City but explained that the budget does not contain an exact cost to obtain the easement. The Authority's first appraisal resulted in a zero value for the easement. The Authority has decided to obtain a second appraisal. Notwithstanding, staff and the City believe the acquisition cost could be around $350,000.

Mr. Harmon informed the Board that the easement is difficult to appraise because the value is really the difference between the value of the fee property without the easement versus the value of the fee property with the easement.
Mr. Cuorato asked if the easement to be condemned was over one (1) owner's property or whether it involved several property owners. Mr. Harmon responded that there would only be one condemnee.

Mr. Cuorato asked if Parks and Recreation would oversee the condemnation. Mr. Harmon replied that Public Property would be overseeing the condemnation.

**Board Action**

Mr. Cuorato called for a motion on the resolution. Upon motion made and duly seconded, the resolution was approved as follows:

**RESOLUTION NO. 2015-123**

**RESOLUTION AUTHORIZING A COOPERATION AGREEMENT BETWEEN THE REDEVELOPMENT AUTHORITY AND THE CITY OF PHILADELPHIA**

WHEREAS, the City and the Redevelopment Authority have negotiated a Cooperation Agreement which states all terms, conditions, obligations and responsibilities of the parties when providing such services.

NOW THEREFORE, BE IT RESOLVED by the Philadelphia Redevelopment Authority, that the Redevelopment Authority is authorized to execute a Cooperation Agreement with the City of Philadelphia ("City") whereby the Redevelopment Authority will act as agent for the City for acquisition services related to a public access easement to extend the Delaware River Trail from the existing terminus located at the Sugarhouse Casino to the Penn Treaty Park.

FURTHER AUTHORIZING, that the Executive Director, with the advice of General Counsel, may allow modifications to the Resolution necessary or desirable to carry out its purposes and intents.

Voting for the foregoing resolution: Mr. Cuorato, Ms. Rodriguez, Ms. Coleman and Mr. Dubow.

DEVELOPMENT

Ms. Nikolic presented "Item II (a) – Amicable Acquisition and Approval of NTI Grant" in substance consistent with the Fact Sheet attached hereto.

Additional Comments and Discussion

Mr. Cuorato asked about the ownership of the neighboring properties. Ms. Nikolic replied that a number of properties adjacent to Mr. Snitow's properties are owned by public agencies, including the Authority.

Mr. Cuorato asked if the properties are located in the Council President's district. Ms. Nikolic responded no and stated that they were located in Councilwoman Sanchez's district.

Ms. Rodriguez asked if the properties would be demolished after acquisition. Ms. Nikolic replied at this time staff is requesting approval for acquisition; however, staff will eventually come back to the Board for authorization for demolition.

Mr. Dubow asked if Mr. Snitow is tax compliant. Ms. Nikolic responded yes and further stated that the subject properties are clear of liens or other violations and that there are no outstanding property taxes.

Mr. Harmon also informed the Board that Mr. Snitow owns several properties in PHA's Sharswood/Blumberg project.

Request: The Board is requested to authorize the amendment of the Redevelopment Authority of the City of Philadelphia Retirement Plan to allow the withholding of medical premiums from retired employees’ monthly pension benefits.

Background: When the Philadelphia Redevelopment Authority ("PRA") received our medical plan renewal for the 8/1/15 – 7/31/16 plan year from Independence Blue Cross ("IBC"), we received a four percent (4%) increase, which equaled an approximate $290,297 increase for the year. To assist with covering the rising costs of healthcare and in accordance with the newly negotiated collective bargaining agreement between PRA and AFSCME Local 1971, all employees and retirees covered under our medical/prescription plan will now share in the cost of their monthly premium (5% of Personal Choice or 3% of Keystone). Active employees’ shares of their premiums are being deducted on a pre-tax basis from their biweekly paychecks.

Presently, when employees retire from the PRA on or after their normal retirement date, they remain covered under our health insurance for five to ten years, depending on their years of service. Our most recent restated defined benefit pension plan document does not mention deductions from the monthly pension benefit for medical premiums. Therefore, during our open enrollment period in July, all retirees who were covered under our plans were notified of the change and were sent an election form that would allow them to make changes to their plan election, add or delete any dependents, or waive their medical coverage all together. Their signature on the form authorized PRA to reduce their pension benefit accordingly. During this process, staff found that some retired employees were difficult to contact, so their forms were not received in time for the first contribution to be deducted. In the future, amending the plan will ensure that monthly premiums are received in a timely manner and avoid the administrative burden that would be associated with monthly billing, cancelling coverage for non-receipt of payment, etc.
RESOLUTION NO.

RESOLUTION APPROVING A CHANGE TO REDEVELOPMENT AUTHORITY OF THE CITY OF PHILADELPHIA RETIREMENT PLAN REGARDING PAYMENT OF RETIREE MEDICAL COVERAGE

BE IT RESOLVED, that the Redevelopment Authority of the City of Philadelphia Retirement Plan may be amended to require the retiree's portion of the cost of his/her retiree health coverage from the Authority to be automatically withheld from his/her monthly pension payments from the Plan made on and after December 1, 2015.

FURTHER AUTHORIZING, the preparation, execution, and delivery of all documentation necessary to carry out the foregoing in form and substance acceptable to the Executive Director and General Counsel.

FURTHER AUTHORIZING, that the Executive Director, with the advice of General Counsel, may allow modifications to the Resolution necessary or desirable to carry out its purposes and intents.

The PHIL program was closed in FY 14. In September 2014, the Authority issued a Request for Proposals ("RFP") to identify a legal consultant to assist in the sale of the PHIL loan portfolio. Nature of Transaction: By Resolution No. 2014-23 adopted on March 14, 2014, the Board authorized the selection of CRP/GO Ridge Flats Owner, L.L.C., as redeveloper of 4300-12 and 4314-26 Ridge Avenue (the "Property"). 1. Approve schematic plans as revised to comply with current requirements of government agencies.
2. Extend this project's commencement deadline to nine (9) months after receipt of zoning approval.
3. Extend this project's completion deadline to thirty-six (36) months after commencement.

Mr. Brian Abernathy

Redevelopment Authority of the City of Philadelphia

Re: Development Agreement dated June 4, 2014 ("Agreement")  
The Philadelphia Redevelopment Authority ("PRA"),  
CRP/GO Ridge Flats Owner, LLC ("Redeveloper").  
4300-12 and 4314-26 Ridge Avenue ("Property")

Dear Mr. Abernathy:

Thank you for considering the attached alternative design drawings for the development of the Property. As we have discussed, and as outlined in my previous letter dated October 14, 2015, substantial modifications to the previously approved plans were necessary in order to comply with new requirements imposed on Redeveloper by PennDOT and The City of Philadelphia Department of Streets (collectively the "Government Agencies"). As a result, Redeveloper is requesting certain modifications to the Agreement that will permit Redeveloper to move ahead with the project as modified.

By way of background, shortly before Redeveloper was scheduled to settle on the Property, Redeveloper was informed that the driveway access plan that had previously been reviewed, commented upon and conceptually approved by the Government Agencies was no longer acceptable and would require a redesign. After months of discussion, ultimately the Government Agencies required the Redeveloper to add an access driveway on Kelly Drive to take pressure of Ridge Avenue. The approval of the concept of the Kelly Drive Access along with its dimensions and location in relation to the congested intersection at Calumet Street took months of planning, discussion and negotiations with the Government Agencies along with the City of Philadelphia Department of Parks and Recreation. The resulting approved design placed the Kelly Drive driveway in the safest location for drivers and pedestrians, however, this location posed a serious design challenge for Redeveloper in that the location sits 12 feet below the level of the parking deck and the construction of a ramp to connect the new driveway to the parking proved to be impractical. After additional consultation with
design professionals, the Government Agencies and the Parks and Recreation Department, Redeveloper concluded that the addition of an underground level of parking was the only feasible way to allow cars to enter the parking from Kelly Drive.

Unfortunately, when added to the total project cost, the significant incremental costs of adding an underground level of parking to the project resulted in an economic return on investment for the project that was no longer commercially viable, with risk adjusted returns well below market. After adding the costs for the additional underground parking level, and assuming total costs per unit (excluding the additional garage costs) otherwise remained the same, Redeveloper's analysis indicated that it would need to increase the unit count by approximately fifty (50) additional units in order for the project's risk adjusted return on investment to return to a market rate.

The only way to add any units to the previously approved design would be to add additional floors to the massing. With its "single loaded corridor" configuration, the previous design would require two (2) additional floors in order to add the necessary 50 additional units. However, adding 2 additional floors would result in a change in the construction classification type of the project from Type III-A (allows more economical wood framed construction) to the significantly more costly Type I-B (requires either concrete or steel construction and is more costly). The additional costs of Type I-B construction would need to be offset by adding even more units to the project and more floors. Realizing that would not be practical, the Redeveloper decided to consider a significant redesign of the project to allow for a more efficient design.

The resulting new design not only results in fewer overall units than would be necessary if units were added to the previous design, its "double loaded corridor" design results in fewer total floors and the ability to maintain the more economical Type III-B (wood framed) construction classification. For these reasons along with the others set forth in my previous correspondence, Redeveloper feels strongly that the revised design results in a better overall project and still maintains the distinguishing design elements of the previous design included in Redeveloper's initial response to the PRA Request for Proposal ("RFP") for the Property and otherwise conforms to the RFP's Controls and Guidelines. Lastly, Redeveloper is committed to maintaining the project as a highly sustainable development. To that end, the project will ultimately be certified in accordance with the Enterprise Green Communities guidelines.

As mentioned above, Redeveloper is requesting the following modifications to the Agreement that will permit Redeveloper to move ahead with the project as modified:

1. Section 1.5 – Purchase Price. In consideration for the PRA's approval of the revised plans and development schedule, the Redeveloper is willing to increase the Purchase Price of the Property by Two Hundred and Fifty Thousand Dollars ($250,000) (the "Incremental Purchase Price") to a total of One Million Dollars ($1,000,000). The Incremental Purchase Price will be paid to the PRA from
100% of all available proceeds (after any senior debt obligations) either from operations or a capital event (refinance of the construction loan or sale of the Property) until the Incremental Purchase Price is paid in full.

2. Section 4.5 – Commencement and Completion of Construction. We request that this section be modified to allow commencement of construction to begin no later than nine (9) months from the Redeveloper’s receipt of fully un-appealable zoning approval. Further, completion of the improvements shall occur no more than 36 months following commencement of construction.

3. Exhibit C – Schematic Plans. We request that the attached set of plans replace the plans previously approved and attached to the Agreement as Exhibit C.

Redeveloper believes that it is uniquely positioned to timely execute on the development of the Property. This is due to its efforts to date and the progress that it has made over the past several months to: (i) modify the project design to address the requirements of the Government Agencies, (ii) communicate with the critical neighborhood groups toward achieving their support and (iii) commencing and advancing the process toward achieving the necessary zoning relief.

As you know, our zoning approval process is well under way and there are certain critical meeting dates that are necessary for Redeveloper to achieve in order to avoid several months of potential delays. We look forward to hearing from you and finalizing this matter promptly.

Sincerely yours,

David Grasso,
Managing Member

NAME OF SPONSOR/DEVELOPER: Diversified Community Services, Inc.

NATURE OF TRANSACTION: Authorization for the Authority to enter into a grant agreement with Diversified Community Services, Inc. ("DCS"), in the amount of Four Hundred Seventy-Seven Thousand Nine Hundred Fifty Dollars ($477,950) (the "Authority Grant"). The proceeds of the Authority Grant will be used for energy improvements to the Tasker Village Apartments, a twenty-eight (28) unit affordable rental housing development located at 1508-1548 S. 16th Street in the Point Breeze neighborhood of Philadelphia (the "Project"). The scope of work will include the installation of a cool roof, window replacement, and painting of the exterior stucco.

BACKGROUND
In 1994, the Tasker Village Apartments, a low income housing tax credit project, was developed by Pennrose Properties. The Project was financed from the syndication of proceeds from the sale of low income housing tax credits ("LIHTC") and financing provided by the Authority and the Pennsylvania Housing Finance Agency ("PHFA"). In 2011, after the initial fifteen (15) year compliance period, DCS acquired the Project and assumed the financing. In 2013, DCS received a reservation for LIHTC to upgrade systems, renovate the individual apartments and construct a new nine hundred (900) square foot community building. At the same time, DCS applied for funding to support energy improvements for the Project through a Housing Trust Funds Request for Proposal issued by the Office of Housing and Community Development ("OHCD"). Although selected by OHCD, it was requested that DCS complete the preservation work supported by the LIHTC award before it started the energy improvements. The tax credit work is now complete.

COMMENTS OR OTHER CONDITIONS
The Philadelphia Planning Commission has issued an environmental clearance on the subject property. The Authority's housing construction department has approved the scope and cost of construction for the Project. The City has approved the Economic Opportunity Plan for the Project. The Philadelphia Revenue Department has determined that the development team has no outstanding tax issues.

BOARD ACTION REQUESTED:
1. Authorize the Authority to enter into a grant agreement with DCS in the amount of up to Four Hundred Seventy-Seven Thousand Nine Hundred Fifty Dollars ($477,950), funded with housing trust funds.

Economic Opportunity Plan

I. PROJECT AND PLAN INTRODUCTION

The project consists of Tasker Village Energy Upgrades (referred to hereafter as the "Project") for Tasker Village LP (referred to hereafter as the "Owner") to install windows and other upgrades at 1908 S. 15th Street, Phila., PA (provide location) within the city of Philadelphia, Pennsylvania. The purpose, standards and procedures of this Economic Opportunity Plan (referred to hereafter as the "Plan") are the expressed wishes of the Owner as set forth herein. Participants shall include consultants, management, prime contractors, sub-contractors and vendors of supplies, equipment and materials. All participants will be obligated to fully comply with the requirements of the Plan.

The Owner is committed to provide meaningful and representative opportunities for minority-owned, women-owned and disabled-owned business enterprises, and economically disadvantaged-owned business enterprises (collectively referred to hereafter as "M/W/DS-BEs" and "DBEs") and individuals that are locally based in all phases of the Project. It is expected all Participants make the same commitment. Each Participant shall not, and furthermore, shall ensure that their associates, partners or representatives shall not, discriminate on the basis of race, color, religion, sex or natural origin in the award and performance of contracts pertaining to the Project or with respect to any and all related employment practices.

For all contracting efforts, each prime consultant and contractor shall use its good faith and nondiscriminatory efforts to provide joint venture partnerships, sub-consulting and subcontracting opportunities for minority, women, disabled, and/or disadvantaged business enterprises (collectively, M/W/DS-BE and/or DBE) registered in the City of Philadelphia's Office of Economic Opportunity ("OEO") and/or any agency that the City of Philadelphia recognizes as having bona fide certifying program. All participants in the Project shall observe and be subject to the enforcement of all relevant City of Philadelphia, Commonwealth of Pennsylvania and federal laws, ordinances, orders, rules and/or regulations regarding M/W/DS-BE and/or DBE firms and locally-based business enterprises. Furthermore, affirmative action will be taken, consistent with sound procurement policies and applicable laws to ensure that M/W/DS-BE and/or DBE firms are afforded a meaningful and representative opportunity to participate in contracts relating to the Project.

For the purposes of this Plan, the term "minority" shall refer to the following: black (all persons having origins in any of the Black African racial groups); Hispanic/Latino (all persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish culture or origin); Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent or the Pacific Islands); and American Indians (all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification).

Agencies and representatives of the City of Philadelphia and/or Commonwealth of Pennsylvania may be consulted regarding the appropriate inclusion of M/W/DS-BE and/or DBE firms and socially/economically disadvantaged professionals in this Project as outlined in this Plan and with regard to its implementation.

1A list of "OEO approved certifying agencies" can be found at www.phila.gov/oeo.
II. ECONOMIC OPPORTUNITY PLAN COMMITMENTS

A. MW/DSBE Participation

As a benchmark for the expression of "Best and Good Faith Efforts" to provide meaningful and representative opportunities for MW/DSBEs in the Tasker Village Energy Upgrade Project, the following participation ranges have been established. These participation ranges represent, in the absence of discrimination in the solicitation and selection of MW/DSBEs, the percentage of MBE, WBE and DSBE participation that is reasonably attainable through the exercise of Best and Good Faith Efforts. These percentages relate to the good faith estimated cost of the entire Tasker Village Energy Upgrade. In order to maximize opportunities for as many businesses as possible, a firm that is certified in two or more categories (e.g. MBE and WBE and DSBE or WBE and DSBE) will only be credited toward one participation range as either an MBE or WBE or DSBE. The firm will not be credited toward more than one category. These ranges are based upon an analysis of factors such as the size and scope of the development and the availability of MBES, WBES, DSBES and DBES to participate in this development:

B. Employment of a Diverse Workforce

Owner agrees to exhaust its Best and Good Faith Efforts to employ minority persons and females in its workforce of apprentices and journeymen. Owner is obligated to exhaust its Best and Good Faith Efforts to employ.

Minority Apprentices – 50% of all hours worked by all apprentices
Minority Journeymen – 32% of all journey hours worked across all trades
Female Apprentices – 7% of all hours worked by all apprentices
Female Journeypersons - 7% of all hours worked across all trades

III. RESPONSIVENESS AND RESPONSIBILITY

A. The Owner shall identify all MW/DSBE commitments and other agreements evidencing its intent to use Best and Good Faith efforts to employ minority persons and females at the levels stated herein on the form entitled, "MW/DSBE Participation and Workforce Commitments." The identified commitments on this form constitutes a representation that the MW/DSBE is capable of providing commercially useful goods or services relevant to the

commitments and that *Tasker Village LP* has entered into a legally binding commitments or other legally binding agreements with the listed M/W/DSEEs for the work or supply effort described and the dollar/percentage amounts set forth on the form. In calculating the percentage of M/W/DSEB participation, the standard mathematical rules apply in rounding off numbers. In the event of inconsistency between the dollar and percentage amounts listed on the form, the percentage will govern.

B. M/W/DSEB commitments are to be memorialized in a written subcontract agreement. Letters of intent, quotations, contracts, subcontracts and any other documents evidencing commitments with M/W/DSEBs, including the M/W/DSEB Participation and Workforce Commitments Form, become part of and an exhibit to the Agreement resulting from the RFP or Ordinance.

C. OEO will review [Owner Representative]'s commitments for the purpose of determining whether Best and Good Faith Efforts have been made. OEO reserves the right to request further documentation and/or clarifying information at any time during the construction and development of the Project.

1. Best and Good Faith Efforts will be evaluated on the basis of Owner's BGFE Form and any other information requested from Owner by the City.

2. Commercially Acceptable Function

A Contractor that enters into a subcontract with an M/W/DSEB shall be considered to have made a Best and Good Faith Effort in that regard only if its M/W/DSEB subcontractor performs a commercially acceptable function ("CAF"). An M/W/DSEB is considered to perform a CAF when it engages in meaningful work or supply effort that provides for a distinct element of the subcontract (as required by the work to be performed in accordance with Bid specifications), where the distinct element is worthy of the dollar amount of the subcontract and where the M/W/DSEB carries out its responsibilities by actually performing, managing and supervising the work involved; M/W/DSEB subcontractors must perform at least twenty percent (20%) of the cost of the subcontract (not including the cost of materials, equipment or supplies incident to the performance of the subcontract) with their own employees.

The City may evaluate the amount of work subcontracted, industry practices and any other relevant factors in determining whether the M/W/DSEB is performing a CAF and in determining the amount of credit the contractor receives towards the participation ranges. For example, a contractor using an M/W/DSEB non-stocking supplier (i.e., a firm that does not manufacture or warehouse the materials or equipment of the general character described by the Bid specifications and required under the contract) to furnish equipment or materials will only receive credit towards the participation ranges for the fees or commissions charged, not the entire value of the equipment or materials furnished.

IV. COMPLIANCE AND MONITORING OF BEST AND GOOD FAITH EFFORTS

A. The Owner agrees to cooperate with OEO in its compliance monitoring efforts, and to submit, within the time limits prescribed by OEO, all documentation which may be requested by OEO relative to the awarded contract, including the items described below. The Owner must provide as required and maintain the following contract documentation for a period of three (3) years following acceptance of final payment under the contract:

- Copies of signed contracts and purchase orders with M/W/DSEB subcontractors;

EOP – OHCD Grants/Contracts
City of Philadelphia
Office of Economic Opportunity
November 22, 2011
Item III (a)

- Evidence of payments (cancelled checks, invoices, etc.) to subcontractors and suppliers to verify participation;

- Telephone logs and correspondence relating to MWDSBE commitments.

- To the extent required by law, Tasker Village LP, Diversified Community Services shall ensure that all its on-site contractors maintain certified payrolls which include a breakout of hours worked by minority and female apprentices and journeypersons; these documents are subject to inspection by OEO.

B. Prompt Payment of MWDSBEs

1. Tasker Village LP agrees and shall cause all its contractors to ensure that all MWDSBEs participating in the Project receive payment for their work or supply effort within five (5) business days after receipt of a proper invoice following satisfactory performance.

2. The Owner shall within a timely manner after receipt of an invoice for payment for work performed under the contract, deliver to its MWDSBE subcontractors their proportionate share of such payment for work performed (including the supply of materials). In connection with payment of its MWDSBE subcontractors, the Owner agrees to fully comply with the City’s payment reporting process which may include the use of electronic payment verification systems.

3. Each month of the contract term and at the conclusion of the contract, the Owner shall provide to the OEO documentation reconciling actual dollar amounts paid to MWDSBE subcontractors to MWDSBE commitments presented in the BGFE Form.

C. Oversight Committee

1. The Owner and/or at the discretion of the City of Philadelphia, in consultation with the appropriate agencies and entities, will establish and identify the members of a Project Oversight Committee, to include representatives from the Owner, the Developer and/or the General Contractor and Construction Manager, the Building Trades, and the City which may include the Project site’s District Councilperson, OEO, and appropriate community organizations (“Committee”). Participants will engage in monitoring, reporting and problem solving activities which are to include regular meetings to address all matters relevant to further development of the Plan, carrying out its implementation and the successful completion of the Project.

A meeting of the Oversight Committee shall be called by the Owner or the City of Philadelphia within one (1) month of the initiation of this Project and shall meet on a regular basis during all phases of the Project. Participants will engage in monitoring, reporting and problem solving activities which are to include regular meetings to address all matters relevant to further development of the Plan, carrying out its implementation and the successful completion of the Project.

2. If a Project Oversight Committee is established, the City will convene meetings of the Committee no later than one (1) month after issuance of the Notice To Proceed and/or project has started.
D. Reporting

The Owner will agree to file an annual report with the City of Philadelphia’s Mayor and City Council concerning the performance of the Economic Opportunity Plan within the Project. In addition, during construction, the Owner will provide higher-level "snapshot" reports to the Oversight Committee containing updates for certain categories of information contained in its annual report on a monthly basis during construction, and on a quarterly basis during the first year of operations. Snapshot reporting will include: (i) utilization of M/W/DSBEs and/or DBEs; (ii) the hiring and employment of minorities and females; (iii) the hiring and employment of Philadelphia residents; and (iv) training programs utilized and the placement rates. All reports (quarterly & annually) to the City under this section will be provided to the Executive Director of the Office of Economic Opportunity and to the members of the Oversight Committee.

V. REMEDIES AND PENALTIES FOR NON-COMPLIANCE

A. In cases where the Owner has cause to believe that a Participant, acting in good faith, has failed to comply with the provisions of the Plan, the Owner and/or the Oversight Committee, with the assistance and consultation of the appropriate agencies and professional entities, shall attempt to resolve the noncompliance through conciliation and persuasion.

B. In conciliation, the Participant must satisfy the Owner and the Oversight Committee that they have made their best and good faith efforts to achieve the agreed upon participation goals by certified M/W/DS-BE and/or DBE firms. Best and good faith efforts on the part of the Participant/Contractor include:

1) Entering into a contractual relationship with the designated M/W/DS-BE and/or DBE firm in a timely, responsive and responsible manner, and fulfilling all contractual requirements, including payments, in said manner.

2) Notifying all parties, including the Owner, the M/W/DS-BE and/or DBE firm, the Oversight Committee and all relevant Participants, of any problems in a timely manner.

3) Requesting assistance from the Owner and/or the Oversight Committee in resolving any problems with any M/W/DS-BE and/or DBE firm.

4) Making every reasonable effort to appropriately facilitate successful performance of contractual duties by an M/W/DS-BE and/or DBE firm through timely, clear and direct communications.

C. In cases where the Owner and/or the Oversight Committee have cause to believe that any Participant has failed to comply with the provisions of the Plan, they shall conduct an investigation.

**PROJECT DESCRIPTION**

Mt. Vernon Manor Phase II development consists of the rehabilitation of 3 buildings to create 46 affordable rental units located in the Mantua neighborhood of West Philadelphia. The project was originally constructed in 1979 through a HUD financing program, and after 30 years the properties are in great need of redevelopment. The first phase was completed in 2013 and resulted in 75 affordable apartments. The properties in Phase II are 3202 Mantua Avenue on which there are two buildings that include 30 apartments and 620 N. 34<sup>th</sup> Street where there is one building with 16 apartments, the community room, and the property management office. All of the buildings are 3-story walk-ups.

There will be 5 one-bedroom, 36 two-bedroom, and 5 three-bedroom apartments along with 38 parking spaces. Six of the apartments will be fully handicapped accessible and two apartments will be accessible to individuals with hearing and/or vision impairments. All units are rent restricted between 20% and 60% of area median income. The development also includes 15 project-based Section 8 vouchers from the Philadelphia Housing Authority. The vouchers will further support the development’s ability to serve low income families.

The developer has contracted with Episcopal Community Services (ECS) to provide services to the site. Operating since 1870, ECS offers case management plus direct services, and collaborates with many other organizations to connect families to needed resources. A sizeable tenant services escrow account will be established to pay for provisions of the social service plan. Community Realty Management, founded in 1974, will serve as property manager and currently manages over 7,000 units of affordable apartments with the majority located in Pennsylvania and New Jersey.
SITE CONTROL

Mt. Vernon Manor, Inc. (Landlord) is the owner of the 3 buildings and will lease the 46 unit site to Mt. Vernon Manor II, LP (Borrower) pursuant to a 75 year ground lease for a dollar a year. Borrower will acquire the 3 buildings from Landlord for a purchase price of $1,146,000. Landlord will provide a take-back note for the purchase price.

DEVELOPER/BORROWER DESCRIPTION

Borrower is a Pennsylvania Limited Partnership which was formed expressly for the purpose of developing this project. Mt. Vernon Manor, Inc. will serve as developer. Mt. Vernon Manor Phase II, LLC will serve as the managing general partner and will organize and advance the project through the development process, structure the project financing and the syndication of equity proceeds.

Mt. Vernon Manor Phase II, LLC is led by an experienced affordable housing developer who has developed over 500 affordable homes in West Philadelphia via 11 low income housing tax credit developments in prior partnerships. The following are some of the projects developed:

- WPRE III, LP – 60 units of permanent housing in West Philadelphia
- WPRE II, LP – 40 units of permanent housing in West Philadelphia
- Neighborhood Restorations L.P. XVI – 80 units of permanent housing in West Philadelphia
- Neighborhood Restorations L.P. XV – 65 units of permanent housing in West Philadelphia

Mt. Vernon Manor, Inc. was formed in 1977 to create affordable housing and community empowerment opportunities in the Mantua neighborhood and is a key partner in the Promise Zone.

PROJECT FINANCING

The Authority is providing a non-recourse construction/permanent mortgage in the amount of $1,200,000. This loan will be structured with a term of 30 years at 0% interest from the date of the loan closing. During the loan period no principal or interest will be required to be paid. The entire balance will be due and payable upon the 30th anniversary of the loan closing. This loan will be secured by a second lien position on Borrower’s leasehold interest in the Project, behind the construction loan financing provided by The Reinvestment Fund. Upon payment of the construction loan, the Authority loan will be in a first lien position on the leasehold.

The Reinvestment Fund is providing a construction loan in the amount up to $2,750,000 which will bridge the equity contributions. The term of the loan will be for a period of 24 months. At construction completion and satisfaction of conditions set by the investor the equity will be used
to pay off this construction loan. This loan will be secured in a first lien position on the leasehold during construction.

**Red Stone Equity Partners** has agreed to purchase a 99.99% limited partnership interest in the Limited Partnership for a net purchase price of $10,362,164 in exchange for low income housing tax credits.

**Mt. Vernon Manor, Inc.** will provide a sponsor loan for the acquisition of the buildings in the amount of $1,146,000. This loan will be in a subordinate position to the Authority Loan.

I. PROJECT AND PLAN INTRODUCTION

The project consists of the rehabilitation of 48 apartments (referred to hereafter as the "Project") for Mt. Vernon Manor II, L.P. (referred to hereafter as the "Owner") to create affordable housing at 3202 Mantua Avenue and 620 N. 34th Street within the city of Philadelphia, Pennsylvania. The purpose, standards and procedures of this Economic Opportunity Plan (referred to hereafter as the "Plan") are the expressed wishes of the Owner as set forth herein. Participants shall include consultants, management, prime contractors, sub-contractors and vendors of supplies, equipment and materials. All participants will be obligated to fully comply with the requirements of the Plan.

The Owner is committed to provide meaningful and representative opportunities for minority-owned, women-owned and disabled-owned business enterprises, and economically disadvantaged-owned business enterprises (collectively referred to hereafter as “MWDS-BEs” and “DBEs”) and individuals that are locally based in all phases of the Project. It is expected all Participants make the same commitment. Each Participant shall not, and furthermore, shall ensure that their associates, partners or representatives shall not, discriminate on the basis of race, color, religion, sex or natural origin in the award and performance of contracts pertaining to the Project or with respect to any and all related employment practices.

For all contracting efforts, each prime consultant and contractor shall use its good faith and nondiscriminatory efforts to provide joint venture partnerships, sub-consulting and subcontracting opportunities for minority, women, disabled, and/or disadvantaged business enterprises (collectively, MWDS-BE and/or DBE) registered in the City of Philadelphia’s Office of Economic Opportunity ("OEO") and/or any agency that the City of Philadelphia recognizes as having bona fide certifying program. All participants in the Project shall observe and be subject to the enforcement of all relevant City of Philadelphia, Commonwealth of Pennsylvania and federal laws, ordinances, orders, rules and/or regulations regarding MWDS-BE and/or DBE firms and locally-based business enterprises. Furthermore, affirmative action will be taken, consistent with sound procurement policies and applicable laws to ensure that MWDS-BE and/or DBE firms are afforded a meaningful and representative opportunity to participate in contracts relating to the Project.

For the purposes of this Plan, the term "minority" shall refer to the following: black (all persons having origins in any of the Black African racial groups); Hispanic/Latino (all persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish culture or origin); Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent or the Pacific Islands); and American Indian and Alaska Native (all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification).

Agencies and representatives of the City of Philadelphia and/or Commonwealth of Pennsylvania may be consulted regarding the appropriate inclusion of MWDS-BE and/or DBE firms and socially/economically disadvantaged professionals in this Project as outlined in this Plan and with regard to its implementation.
II. ECONOMIC OPPORTUNITY PLAN COMMITMENTS

A. M/W/DSBE Participation

As a benchmark for the expression of “Best and Good Faith Efforts” to provide meaningful and representative opportunities for M/W/DSBEs in the Mt. Vernon Manor Phase II project, the following participation ranges have been established. These participation ranges represent the good faith estimated cost of the entire Mt. Vernon Manor Phase II project. In order to maximize opportunities for as many businesses as possible, a firm that is certified in two or more categories (e.g., MBE and WBE and DSBE or WBE and DSBE) will only be credited toward one participation range as either an MBE or WBE or DSBE. The range will not be credited toward more than one category. These ranges are based upon an analysis of factors such as the size and scope of the development and the availability of MBEs, WBEs, DSBEs and DBEs to participate in this development.

B. Employment of a Diverse Workforce

Owner agrees to exhaust its Best and Good Faith Efforts to employ minority persons and females in its workforce of apprentices and journeymen. Owner is obligated to exhaust its Best and Good Faith Efforts to employ:

- Minority Apprentices – 50% of all hours worked by all apprentices
- Minority Journeymen – 32% of all journey hours worked across all trades
- Female Apprentices – 7% of all hours worked by all apprentices
- Female Journeymen – 7% of all hours worked across all trades

III. RESPONSIVENESS AND RESPONSIBILITY

A. The Owner shall identify all M/W/DSBE commitments and other agreements evidencing its intent to use Best and Good Faith efforts to employ minority persons and females at the levels stated herein on the form entitled, “M/W/DSBE Participation and Workforce

Commitments. The identified commitments on this form constitutes a representation that the MWDSBE is capable of providing commercially useful goods or services relevant to the commitments and that Mt. Vernon Manor II, L.P. or its general contractor has entered into a legally binding commitments or other legally binding agreements with the listed MWDSBEs for the work or supply effort described and the dollar/percentage amount(s) set forth on the form. In calculating the percentage of MWDSBE participation, the standard mathematical rules apply in rounding off numbers. In the event of inconsistency between the dollar and percentage amounts listed on the form, the percentage will govern.

B. MWDSBE commitments are to be memorialized in a written subcontract agreement. Letters of intent, quotations, contracts, subcontracts and any other documents evidencing commitments with MWDSBEs, including the MWDSBE Participation and Workforce Commitments Form, become part of and are exhibit to the Agreement resulting from the RFP or Ordinance.

C. OEO will review Mt. Vernon Manor II, L.P. and its general contractor’s commitments for the purpose of determining whether Best and Good Faith Efforts have been made. OEO reserves the right to request further documentation and/or clarifying information at any time during the construction and development of the Project.

1. Best and Good Faith Efforts will be evaluated on the basis of Owner’s BGFE Form and any other information requested from Owner by the City.

2. Commercially Acceptable Function
A Contractor that enters into a subcontract with an MWDSBE shall be considered to have made a Best and Good Faith Effort in that regard only if its MWDSBE subcontractor performs a commercially acceptable function (“CAF”). An MWDSBE is considered to perform a CAF when it engages in meaningful work or supply effort that provides for a distinct element of the subcontract (as required by the work to be performed in accordance with Bid specifications), where the distinct element is worthy of the dollar amount of the subcontract and where the MWDSBE carries out its responsibilities by actually performing, managing and supervising the work involved; MWDSBE subcontractors must perform at least twenty percent (20%) of the cost of the subcontract (not including the cost of materials, equipment or supplies incident to the performance of the subcontract) with their own employees.

The City may evaluate the amount of work subcontracted, industry practices and any other relevant factors in determining whether the MWDSBE is performing a CAF and in determining the amount of credit the contractor receives towards the participation ranges. For example, a contractor using an MWDSBE non-stock supplier (i.e., a firm that does not manufacture or warehouse the materials or equipment of the general character described by the Bid specifications and required under the contract) to furnish equipment or materials will only receive credit towards the participation ranges for the fees or commissions charged, not the entire value of the equipment or materials furnished.

IV. COMPLIANCE AND MONITORING OF BEST AND GOOD FAITH EFFORTS

A. The Owner agrees to cooperate with OEO in its compliance monitoring efforts, and to submit, within the time limits prescribed by OEO, all documentation which may be requested by OEO relative to the awarded contract, including the items described below. The Owner must provide as required and maintain the following contract documentation for a period of three (3) years following acceptance of final payment under the contract:

B. Prompt Payment of MWDSBEs

1. Mt. Vernon Manor II, L.P. agrees and shall cause all its contractors to ensure that all MWDSBEs participating in the Project receive payment for their work or supply effort within five (5) business days after receipt of a proper invoice following satisfactory performance.

2. The Owner shall within a timely manner after receipt of an invoice for payment for work performed under the contract, deliver to its MWDSBE subcontractors their proportionate share of such payment for work performed (including the supply of materials). In connection with payment of its MWDSBE subcontractors, the Owner agrees to fully comply with the City's payment reporting process which may include the use of electronic payment verification systems.

3. Each month of the contract term and at the conclusion of the contract, the Owner shall provide to the OEO documentation reconciling actual dollar amounts paid to MWDSBE subcontractors to MWDSBE commitments presented in the BOPFE Form.

C. Oversight Committee

1. The Owner and/or at the discretion of the City of Philadelphia, in consultation with the appropriate agencies and entities, will establish and identify the members of a Project Oversight Committee, to include representatives from the Owner, the Developer and/or the General Contractor and Construction Manager, the Building Trades, and the City which may include the Project site's District Councilperson, OEO, and appropriate community organizations ("Committee"). Participants will engage in monitoring, reporting and problem solving activities which are to include regular meetings to address all matters relevant to further development of the Plan, carrying out its implementation and the successful completion of the Project.

A meeting of the Oversight Committee shall be called by the Owner or the City of Philadelphia within one (1) month of the initiation of this Project and shall meet on a regular basis during all phases of the Project. Snapshot reporting will include: (i) utilization of MWDSBEs and/or DBEs; (ii) the hiring and employment of minorities and females, (iii) the hiring and employment of Philadelphia residents and; (iv) training programs utilized and the placement rates. All reports (quarterly & annually) to the City under this section will be provided to the Executive Director of the Office of Economic Opportunity and to the members of the Oversight Committee.

V. REMEDIES AND PENALTIES FOR NON-COMPLIANCE

A. In cases where the Owner has cause to believe that a Participant, acting in good faith, has failed to comply with the provisions of the Plan, the Owner and/or the Oversight Committee, with the assistance and consultation of the appropriate agencies and professional entities, shall attempt to resolve the noncompliance through conciliation and persuasion.

B. In conciliation, the Participant must satisfy the Owner and the Oversight Committee that they have made their best and good faith efforts to achieve the agreed upon participation goals by certified MWDS-BE and/or DBE firms. Best and good faith efforts on the part of the Participant/Contractor include:

1) Entering into a contractual relationship with the designated MWDS-BE and/or DBE firm in a timely, responsive and responsible manner, and fulfilling all contractual requirements, including payments, in said manner.

2) Notifying all parties, including the Owner, the MWDS-BE and/or DBE firm, the Oversight Committee and all relevant Participants, of any problems in a timely manner.

3) Requesting assistance from the Owner and/or the Oversight Committee in resolving any problems with any MWDS-BE and/or DBE firm.

4) Making every reasonable effort to appropriately facilitate successful performance of contractual duties by an MWDS-BE and/or DBE firm through timely, clear and direct communications.

C. In cases where the Owner and/or the Oversight Committee have cause to believe that any Participant has failed to comply with the provisions of the Plan, they shall conduct an investigation.

D. After affording the Participant notice and an opportunity to be heard, the Owner and/or the Oversight Committee are authorized to take corrective, remedial and/or punitive action. Such actions may include, but are not limited to:

1) Declaring the Participant as non-responsible and/or non-responsive, with a determination as ineligible to receive the award of a contract, continue a contract and/or ineligible for any other future contracts affiliated with this Plan;
