Mr. Dubow asked how the unit price was arrived and negotiated between the Authority and PHA. Ms. Bauer responded that the price was from a 2010 appraisal. Ms. Bauer stated that the units sold for approximately $130,000/$135,000 each.

Mr. Dubow asked why the units are not selling. Ms. Bauer replied that due to market conditions along with change in leadership. Ms. Bauer stated that on May 5, 2017, one (1) unit was sold for $115,000. Mr. Harmon asked why there was a discrepancy with the unit price and the overall loan amount reduction. OLD BUSINESS

Mr. Cuorato inquired if there was any old business for the Board. No old business was presented to the Board.

NEW BUSINESS

Mr. Cuorato inquired if there was any new business for the Board. Mr. Chin addressed the Board and advised that he was here on behalf of 1001 Vine Street, LP (the "Developer") and the Eastern Tower project (the "Project").

Mr. Chin advised that he and his team have been working to fill the private equity funding gap for this Seventy-Five Million Dollars ($75,000,000) Project. Mr. Chin stated that since the last Board meeting where the Developer presented in January, 2017, the Developer has closed the funding gap of Six Million Six Hundred Thousand Dollars ($6,600,000) and that all of the previously committed funding is still in place. Mr. Chin stated that he has provided documentation to Mr. Heller showing that gap funds are on deposit with or committed by Parke Bank.

Mr. Cuorato reminded Mr. Chin that at the January 11, 2017 Board meeting, the Board clearly stated that the Developer had until April 28, 2017 to close any funding gap and take title to the subject property. Mr. Cuorato further stated that at that same Board meeting, the Board stated that no further extensions of time for conveyance of title to the property would be granted or permitted.

Mr. Chin reiterated that the funding is now in place and that this is an important project for the Chinatown community. Mr. Chin stated that the Project aligns with the City of Philadelphia's desire to have recreation centers in neighborhoods. Mr. Chin told the Board that there was a team meeting with all of the lenders on the Project earlier in the day and that they are all on board and ready to go to closing.
Mr. Bumb asked if the total construction cost of the Project is still approximately Seventy-Five Million Dollars ($75,000,000). Mr. Chin advised that the anticipated construction costs have not changed.

Mr. Dubow asked what that anticipated timeframe would be to complete the Project. Mr. Chin stated that the Project would be completed within twenty-eight (28) months after construction commencement.

Mr. Chin stated that Councilman Squilla has provided a letter of support and that the Developer would likely need a short amount of time to coordinate settlement amongst all the lenders.

Mr. Cuorato thanked Mr. Chin for his comments and stated that Mr. Heller would be in touch with Mr. Chin within the next week.

ADJOURNMENT

There being no further business to come before the Board, Mr. Cuorato declared the meeting adjourned at 4:58 P.M.

TRANSACTION SUMMARY

Modification of an Authority loan to permit the transfer of homeownership units to Philadelphia Housing Authority for sale or lease to low-income families and forgiveness of a portion of the loan balance.

BACKGROUND

Pursuant to Resolution No. 18,971, adopted on February 19, 2010, the Authority provided i) a bridge loan in the amount of Three Million Two Hundred Seventy-Five Thousand Dollars ($3,275,000) ("Bridge Loan"), and ii) a subsidy loan in the amount of Three Million Six Hundred Twenty-One Thousand Two Hundred Six Dollars ($3,621,206) ("Subsidy Loan") to Friends Rehabilitation Program ("Friends") for the development of twenty-five (25) homeownership units in the Strawberry Mansion section of Philadelphia for sale to low-moderate income homeowners ("Project"). A pro-rated portion of the Subsidy Loan has been transferred to homeowners of the sold units, leaving an unallocated balance of Five Hundred Seventy-Nine Thousand Three Hundred Ninety-Six Dollars ($579,396) ("Subsidy Loan Balance"). Friends has been unable to sell the last four (4) homeownership units in the Project ("Unsold Units").

PROPOSED REVISION TO PROJECT

Friends has requested the Authority's consent to convey the Unsold Units to the Philadelphia Housing Authority ("PHA") for a per-unit sale price of One Hundred Fifteen Thousand Dollars ($115,000). Each Unsold Unit will be used by PHA for rental or sale to a low-income family. The Bridge Loan will be paid in full.

APM Preservation
Modification of Loans to One APM Plaza Associates, Two APM Plaza Associates and Borinquen Associates

TRANSACTION SUMMARY
Transfer, assumption, subordination, and restructuring of three (3) loans in connection with the One APM Plaza, Two APM Plaza and Jardines de Borinquen I developments (collectively, the "Projects") to permit the preservation and development of affordable housing units. In addition, the Philadelphia Redevelopment Authority (the "Authority"), through the Division of Housing and Community Development, will provide additional financing in an amount up to One Million Five Hundred Thirteen Thousand Dollars ($1,513,000).

BACKGROUND

One APM Plaza
In 1991, the Philadelphia Housing Development Corporation ("PHDC") provided a loan to One APM Plaza Associates secured by a PHDC mortgage in the amount of Three Hundred Forty Thousand Dollar ($340,000) (the "APM1 Loan"). The proceeds of the APM1 Loan provided a portion of the financing for the substantial rehabilitation of 2316 N. 7th Street, 2322 N. 7th Street and 2327-33 N. 7th Street ("Property 1") into twenty-four (24) units of permanent rental housing for low income residents. The APM1 Loan carries an interest rate of 8.58% for a term of forty (40) years.

Two APM Plaza
In 1993, PHDC provided a loan to Two APM Plaza Associates in the amount of Six Hundred Thousand Dollars ($600,000) secured by a PHDC mortgage (the "APM2 Loan"). The APM2 Loan was part of the financing provided for the substantial rehabilitation of 2308-10, 2311-13, 2312 and 2324 N. 7th Street ("Property 2") into twelve (12) units of permanent rental housing for low income residents. The APM2 Loan carries an interest rate of 1% for a term of forty (40) years.

Jardines de Borinquen I
In 1993, the Authority provided a loan to Borinquen Associates in the amount of One Million Two Hundred Fifty Thousand Dollars ($1,250,000) secured by an Authority mortgage (the "JB Loan"). The JB Loan was part of the financing provided for the substantial rehabilitation of 2011-25, 2029,2031-33, 2035-37, 2039-59 North Marshall Street and 2008-34, 2036, 2038,2040, 2042, 2044, 2046, 2048, 2050-58 N. 6th Street ("Property 3") into forty-five (45) units of permanent rental housing for low income residents. The JB Loan carries an interest rate of 1% for a term of forty (40) years.
PROPOSED PROJECT

The Projects have reached their initial fifteen (15) year low income housing tax credit compliance period and Asociacion Puertorriquenos en Marcha, Inc. ("APM") has developed a preservation plan in order to keep the Projects affordable for an additional thirty (30) years. The Projects will be combined into a single eighty (80) unit development ("APM Preservation Project") that will consist of making much needed renovations, such as energy efficiency upgrades, capital and major systems improvements and other repairs. Total financing for the APM Preservation Project is approximately Twenty Million Dollars ($20,000,000). In order to finance the improvements, APM applied and received from the Pennsylvania Housing Finance Agency ("PHFA") a new low income housing tax credit allocation ("LIHTC") and Pennsylvania Housing Affordability and Rehabilitation Enhancement Funds ("PHARE"). In addition, the Authority, through the Division of Housing and Community Development, is providing additional financing in an amount up to One Million Five Hundred Thirteen Thousand Dollars ($1,513,000). The new LIHTC allocation will require the Projects be conveyed to a new limited partnership, Camino Verde, LP ("CV LP") in which APM is the sole member of the General Partner.

In order to make the APM Preservation Project financially feasible and satisfy investor requirements, APM has asked the Authority to forgive a portion of accrued interest in the approximate amount of Five Hundred Sixty-Five Thousand Five Hundred Dollars ($565,500). CV LP will assume the balance of the existing debt on the APM1 Loan, APM2 Loan and JB Loan in the amount of Two Million Eight Hundred Twenty-Three Thousand Eighty-Three Dollars ($2,823,083) ("Assumed Debt"). In addition, APM has requested that the Assumed Debt and new financing in the aggregate amount of Four Million Three Hundred Thirty-Six Thousand Eighty-Three Dollars ($4,336,083) be restructured to bear interest at 1%, due and payable in 32 years from the date of execution.

BOARD ACTION

The Board is asked to consent to the following:

- Transfer of Property 1, Property 2 and Property 3 to CV LP;
- Forgiveness of a portion of the accrued interest;
- Assumption by CV LP of Assumed Debt;
- Modify the terms of the Assumed Debt to extend the maturity date to thirty-two (32) years from the date of execution, accrue interest at 1% and provide that no payments shall be due and payable until the maturity date and provide additional financing in the amount up to One Million Five Hundred Thirteen Thousand Dollars ($1,513,000);
• Allow the subordination of the Assumed Debt and New Financing to PHFA's financing.
